Volume 22, Issue 1

MESSAGE FROM THE MAYOR

Dear Neighbor,

If there was a theme to the major accomplishments of the town during 2012, it would be this: North Beach is now able to manage more effectively the longstanding issues of parking, recreation, flooding and wetlands restoration. Acquiring ownership of significant, undeveloped parcels of land strategically located within the town was essential to this effort.

The large vacant lot north of 5th Street between Bay and Chesapeake Avenues will be dedicated to parking for commuters and tourists. The vacant lot on the east side of Chesapeake Avenue, across from the new North Beach Professional Building, will be improved for additional parking for the businesses located at the northern end of town.

The corner of 3rd and Bay will be developed this spring as a passive recreation park for residents and visitors to town. There will be no townhouse or condo development on this site. The Council will soon select a professional landscape architect with public park design experience to assist in the plans for this area.

Most recently, the town finally acquired the remaining parcels of wetlands west of Route 261 between North Beach and the Holland Point community. These wetland areas are badly degraded and their restoration is important in our efforts to address the persistent flooding and beach erosion in the northern end of town. We are actively meeting with the Army Corps of Engineers to implement measures which will accomplish these goals and preserve the integrity of Route 261 as it passes through the wetlands.

Congratulations to the winners of the Holiday Highlights contest, both homes and businesses. To those of you who have, all year long, worked hard to make your properties an asset to the town and your neighborhood, THANK YOU! North Beach has never looked better.

I hope that 2012 was a year that brought you blessings and that 2013 will continue to do the same.

Sincerely,

Mark R. Frazer, Mayor

The Jewel of the Chesapeake Bay
North Beach, Maryland

Events

2013

During the months of May through October, the hours for the Bayside History Museum will be Wednesday through Sunday from 1:00 to 4:00 p.m.

NEWS FROM THE WATERFRONT

The beach and Welcome Center will open on April 27th, 2013. Mark your calendars for April 15th to remind you to visit the Town Hall for your annual beach pass and vehicle parking stickers. You may obtain passes and parking stickers Monday through Friday, between the hours of 8:30 a.m. and 4:30 p.m. beginning April 15th. Proof of residency is required. Beach Passes and Parking Stickers are valid from May 1st thru October 31st for each calendar year. Town residents will be issued beach passes. You must reside within the town limits to obtain a parking sticker. A copy of your lease agreement for rentals and each vehicle registration showing proof of residency must accompany request (application available at Town Hall and on website) for sticker. Property owners who reside within the town limits will be issued a permanent sticker for each vehicle. Property owners who do not reside within the town limits will not be issued a parking sticker. Renters within the town limits will be issued a parking

sticker valid until April 2014. All sticker requests will be verified by the property records we have on file for the address. Vacation rentals may obtain daily beach passes at the Welcome Center, but must show their Lease Agreement each time. For more information contact Town Hall at 410.257.9618 or 301.855.6681

FORMER COUNCIL MEMBER BARBARA GRAY PASSES

Barbara Harlow Gray, elected to North Beach Town Council in 2002, died on December 18, 2012 at her daughter's home, following a lengthy battle with Alzheimer's disease and breast cancer. Barbara was born on January 1, 1934 and grew up in Cottage City, MD. She graduated from Bladensburg High School in 1951. Barbara married Charles Gray Jr. in 1953. After raising their four children, they retired to North Beach where they were very active in the local community. She was active in the North Beach Garden Club, Northern Calvert Lions Club, North Beach Town Council, and volunteered with Bayside History Museum, and Meals on Wheels. When she was not active with one of her clubs or volunteering she enjoyed crossword puzzles, walking the board walk and meeting her large group of friends every Wednesday for dinner. Barbara has lived for the past three years with her daughter's family in Frederick, MD after being diagnosed with Alzheimer's disease. Per Barbara's wishes she was cremated and interment was private. In lieu of flowers please donate to the Hospice of Frederick County.

Go to our website, www.northbeachmd.org and click on the [Subscribe to News](#) link to join our email list.

DEPARTMENT OF PUBLIC WORKS (DPW) UPDATE

Hopefully everyone is enjoying and using the new sidewalk along Frederick Avenue in the Burnt Oaks subdivision area. This should make for a much safer and enjoyable area for pedestrians to walk without having to be in the roadway. This sidewalk now allows pedestrians to walk from the Burnt Oaks area to the waterfront area and remain safe on the network of sidewalks.

So far this year, winter has been kind to the area, but as anyone knows who has lived here any length of time, that can change overnight. Here is a brief outline of the town's snow removal plan in case we receive winter precipitation. Pre-storm, prior to the snow fall,

streets will receive a treatment of salt or chemicals, depending on forecast conditions. When snow reaches a height of three inches, town staff will begin plowing. The staff will try to maintain two clear lanes on all streets and intersections starting with main accesses to and from town and working outward. Please remember in these types of events to use off-street parking, if available, as this is a great help to crews that are trying to clear streets. Once the streets are clear, crews will start clearing parking areas. This will be done while residents are at work or away from the home, which allows crews to be more efficient when parked cars are clear from normal parking areas. Every effort will be made to ensure residents have a safe travel to and from work, etc. For a complete copy of the Snow Removal Plan, please visit the Department of Public Works link under the Government tab on the town website.

Several residents has been asking questions about the construction that is going on in the water on the north side of the pier. The town hired Dissen & Juhn, a well-known shoreline contractor, to install a timber wave barrier to provide protection from the "Nor'easters" the area experiences on a regular basis. This breakwater was built to replace the stone breakwaters that have settled over the years and became ineffective. The project is moving along nicely and should be complete in the next few weeks. This should provide needed protection to the shoreline for many years to come.

House & Garden TOUR

The 27th Annual North Beach House and Garden Tour will be held on Sunday, June 2nd from 1 to 5 p.m. The tour will begin at St. Anthony's Church parking lot on Chesapeake Avenue, between 1st and 2nd Streets. Stay tuned for details of the homes on this year's tour. For more information, please call Sally Donaldson at 410.286.3988.

Do not feed the DUCKS

It's that time of year to remind all residents and visitors how detrimental it is to waterfowl if they are fed people food. The beach and boardwalk will soon be occupied with a lot of people. To prevent the beach and boardwalk from being occupied with ducks, seagulls and geese, we urge you to NOT toss food to them. While it may be very tempting, it is also detrimental to them and the environment in many ways.

Regular feeding of the waterfowl can cause poor nutrition, spread disease, cause them to lose their natural fear of humans and become aggressive, cause pollution on our beach and in our water, contribute to overcrowding and attract pests.

Christmas Tree PICKUP

The town trash contractor will pick up and dispose of real, undecorated Christmas trees through January 30, 2013. Please place undecorated trees curbside with your regular trash.

Information Bins POST OFFICE

In an effort to increase communication between town staff and residents, important information, including the trash schedule, recycle bin requests, event information, etc. will be placed in the information bins at the Post Office. The bins are located on the wall to the right of the bulletin board. We hope this helps in getting the word out to residents that may not be able to check our website or receive emails.

Advice from LAW ENFORCEMENT

Local law enforcement has seen an increase in thefts from automobiles in the North and Chesapeake Beach area. Please call 911 if suspicious activity is observed. Lock vehicle doors to help prevent this type of crime.

2012 BEST OF THE BAY

Each year, the Bay Weekly newspaper asks readers to weigh in on their favorite things and determine the Best of the Bay. We are happy to report that North Beach won in multiple categories. North Beach was voted "Best Bay Beach", "Best Town or Neighborhood", our Friday Night Farmers' Market was voted the "Best Place for Local Produce" and the new Wetlands Overlook Park was voted the "Best-Kept Secret".

We are also proud to announce that Blondie's Baking Company was voted "Best Cupcakes", Westlawn Inn was voted "Best Fine Dining", Sisters' Corner was voted "Best Gift Shop", Rick at K&H Electric was voted "Best Electrician", and Abigail Francisco's Classical School of Ballet was voted "Best Dance Studio".

A great big thank you goes to everyone who participated in the survey! Our civic pride has once again shone through!

RIBBON CUTTING FOR "NEW" MUSEUM

The ribbon cutting ceremony for the new Bayside History Museum is planned for Saturday, May 4, 2013 at 11 a.m. The new museum is located at 4025 4th Street, the building that formerly housed Parks and Recreation activities. There will be new exhibits, an expanded paleontology room, addition of the girl scouts setting up camp with the boy scouts at Camp Roosevelt, and a Captain John Smith the Explorer exhibit. Everyone is invited to join us for this

exciting ceremony! Following the ceremony, there will be a celebratory Open House until 4 p.m. and again on Sunday, May 5, from noon to 4 p.m.

DOGS RUNNING AT LARGE

Please be reminded that Article II Dogs, Section 26-3 of the code of the Town of North Beach states that no person shall own or harbor within the Town of North Beach any dog unless such dog is licensed as provided by the ordinances and regulations of Calvert County. All ordinances and regulations of Calvert County concerning dogs shall apply within the corporate limits of the Town of North Beach. In addition, this includes the provisions of the Calvert County Code which call for all dogs to be on a leash when in the company of their owner outside the confines of the owner's property. In addition, it is expressly prohibited for any dog to be

on the town beach, whether said dog be at large or on a leash. It is the intention of the Council that dogs are prohibited on the sand beach under all circumstances.

Additionally, Section 26-7, Enforcement, states that the Mayor, Town Code Enforcement Officer, Deputies of the Calvert County Sheriff's Department, and Dog Wardens of Calvert County shall have jurisdiction within the corporate limits of North Beach to enforce all provisions of this article. Section 26-8, Violations and penalties states that violations of this article shall be a municipal infraction.

IN MY OPINION . . .

I hope everyone had a wonderful Christmas and is having a healthy and prosperous New Year! So much has happened since our last Newsletter.... the Community Thanksgiving dinner at Abigail Francisco's Classical School of Ballet; of which I am very proud to be a part of, was an extreme success! The resident turn out this year was better than last and, as usual, the food was delicious and plentiful and the entertainment was pleasantly beautiful!

The lighting of the Christmas tree and lights was packed with fascinated onlookers. The boardwalk and pier were absolutely beautiful! What a view to be proud of! Everyone enjoyed the cookies and hot chocolate and the "small town" friendliness abounded throughout.

The Polar Bear Plunge was a little different this year. We had sponsors for the event and there was a registration fee of \$25.00 which guaranteed you a t-shirt and a personalized Certificate of Participation. For those who braved the cold waters of the Bay, it was yet another year of just "going out and doing it"!

We have so many wonderful things in this little Town of ours for which we

Marsha Stiner, Receptionist at Town Hall

should be thankful and proud. We live in a small, but thriving community where, I believe, we can feel safe in our homes and places of business. We have a warm sense of caring for those in our neighborhood and a tendency to look out for one another, and the feeling of "part", belonging to a "whole" undeniably offers one the comfort of helping those less fortunate.

With that said, I'd like to take the opportunity to challenge those who are up to it to extend a smile or a thank you to all you meet on the street, the boardwalk, and in the shops around Town. We have the ability to make the Town of North Beach the true "Jewel of the Chesapeake Bay". Spread the word!

REMINDERS ABOUT TRASH, RECYCLING AND BULK

Town residents can continue to register for recycling containers and lids from the town website under Quicklinks. You may also purchase an additional 32-gallon recycling container for \$50 from the same website link. The recycling containers are to be used for recyclable material only. If regular trash is placed in the recycling container, it will NOT be picked up by the trash contractor. Bulk trash pickup is on a once-a-month

basis, by appointment only. To schedule a bulk trash pickup, residents must call Town Hall by the Friday prior to the monthly pickup date. When you call,

you must provide the number of items to be picked up and a brief description of each item. You also need to provide a contact name, street address and phone number. Please see the calendar on pages 10-11 of this

newsletter for the dates for monthly bulk pickup.

Geocache Trail UNDERWAY

Looking for a fun and interactive way to explore the unique history of Maryland's cities and towns? The Town of North Beach is a participating municipality in the Discovering Maryland Geotrail. The Maryland Municipal League (MML) launched the MML Geotrail on January 5, 2013. "Geocaching," pronounced "geo-cashing," is a free, interactive outdoor treasure hunt. Participating players seek to locate hidden containers, called "caches" using their smart phone or Global Positioning System (GPS). This is the League's second state-wide trail.

The trail's theme, Discovering Maryland, is designed to promote awareness of and visits to Maryland's municipalities. Visitors and residents alike will get to know Maryland's cities and towns' rich history as they travel towns along the trail. While searching, cachers, are often guided to various attractions like museums, parks and main streets so they can experience as much of the town as possible. The League's ultimate goal is to help support economic development in Maryland municipalities, by bringing as many cities and towns together as possible, within different counties, via the trail. Forty-nine municipalities are participating in the new trail. A geocache trail is a great way for cities and towns to expand tourism by attracting visitors from amongst the thousands that participate in geocaching throughout the United States. Geocachers can access the coordinates by registering at www.geocaching.com. Basic registration is free. For more information, please visit www.mdmunicipal.org/geocache.

13TH ANNUAL HOLIDAY HIGHLIGHTS WINNERS

The Town of North Beach held the 13th Annual Holiday Highlights Contest on Sunday, December 16, 2012. Houses, townhouses and businesses that were decorated for the holidays were viewed by a panel of judges. The winners were awarded prizes at the January 10th town council meeting. Congratulations to following winners:

Homes

1st place: 4008 2nd Street, Nicole Wallace

2nd place: 9318 Atlantic Avenue, Tim and Caren Gallaudet

3rd place: 3916 5th Street, Joseph Ezell

Businesses

1st place: 9104 Chesapeake Avenue, Beauty by the Bay

2nd place: 4109 7th Street, Wheel Clothing Store

3rd place: 9122 Bay Avenue, Old Town Candy Company

IT TAKES FOUR WEEKS TO DECK OUR HALLS

As you may have noticed the Town of North Beach added some new decorations this year to complement our existing decorations. If you are new to the town, here are some impressive facts for you: The town employees and many volunteers decide to get started decorating the second week in November (and working with the weather) to get the installation completed prior to the official lighting of the tree and the annual Santa on the Beach and parade. The total weight of all the decorations is over 5,000 pounds. There is one mile of extension cords and 1,000 feet of those extension cords are on the pier. The Christmas tree is 22 feet tall and adorned with over 800 ornaments. There is 1,875 feet of garland from 1st Street to 5th Street (4 tenths of a mile) dressed with 68 bows. The fourteen, 8-foot figurines from the Nutcracker Suite Ballet, on the t-section of the pier, were created by students and volunteers from Abigail Francisco School of Classical Ballet. Total installation takes about 27 days and over 500 hours to complete.

ANNUAL POLAR BEAR PLUNGE

What we call the “coolest” event of the year, proved to be just that. With a water temperature of just 37 degrees and an air temperature of 39 degrees, 407 brave Polar Bear Plungers jumped into the Chesapeake Bay on January 1, 2013. Because of the work being done on the timber breakwaters on the beach north of the Welcome Center, the plunge was held on the opposite side this year. There were thousands of spectators perched on the boardwalk, finger piers and even on the rocks.

There were three ways to participate in the plunge this year. Participants could pre-register on the town’s website and pay a \$25 registration fee that ensured them a long-sleeve 2013 Polar Bear Plunge t-shirt and a personalized certificate. Participants could also pay the registration fee the day of the plunge and still receive a t-shirt and certificate, although it was first come-first served. The final way to participate was to sign the plunge waiver and jump in!

The town acquired business sponsors for this year’s event. As part of the sponsorship, businesses earned a spot on the town’s 2013 Special Events Banner. This banner will be proudly hung at the boardwalk at each event during this calendar year.

Finally, the net proceeds of the 2013 Polar Bear Plunge were \$3,376.31. The town will present a check in that amount to the Boys & Girls Club at the town council meeting on February 14, 2013. The 2013 Polar Bear Plunge was a tremendous success and we thank all who participated and sponsored this enjoyable event.

Flush This But Not That!

When you use your toilet, shower, washing machine or dishwasher, waste water leaves your home through pipes that connect to the town sewer system. Many materials frequently flushed or poured down the drain can harm the pipes that connect to the town sewer system. Every property owner connected to the town sewer system can be a potential contributor to sewer problems, and a potential victim of those problems. Putting the wrong things down the drain can damage the sewer system, cause sewer backups in your home, and sewer releases to the environment.

The only thing you should ever flush down a toilet is human waste (urine and feces) and toilet paper. Please keep in mind, products that are labeled as "flushable" are not sewer friendly and should not be flushed. Here is a list of some of things to keep OUT of the toilet:

- disposable diapers
- baby wipes
- tampons
- cotton balls & swabs
- mini or maxi pads
- unused medications
- condoms
- cleaning wipes of any kind
- facial tissue
- bandages and bandage wrappings
- disposable hand towels and mechanic's shop rags
- makeup removal wipes

To prevent sewer backups and blockages, please be mindful of what items you are flushing down your toilets and pouring into your sink drains!

COMCAST FOUNDATION AWARDS GRANT

The Comcast Foundation has awarded a \$7,429 grant to the Boys & Girls Clubs of Southern Maryland as part of its Comcast Cares Day contributions. Comcast partnered with the group for the company's 11th Annual Comcast Cares Day on Saturday, April 21, 2012 when more than 75,000 Comcast and NBCUniversal employees, friends and family members joined together across the country to participate in one of the nation's largest single-day corporate volunteer efforts. The grant is presented in recognition of Comcast's commitment to the communities where its customers and employees live and work, on behalf of each Comcast employee and family member who volunteered on Comcast Cares Day. As part of Comcast Cares Day with the Boys & Girls Clubs of Southern Maryland, approximately 300 volunteers pitched in to help "Plant the Town" of North Beach, planting flowers around the boardwalk and participating in games and activities with club members.

"Comcast Cares Day is part of a year-round commitment to our local communities," said Donna Rattley Washington, regional vice president of government and community affairs for Comcast. "Through this support from the Comcast Foundation, we are pleased to help our local partners as they continue to make such a profound impact on the lives of so many."

We are grateful to Comcast and its employees for helping beautify our town, and for serving as mentors and role models to our young club members on Comcast Cares Day," said Joy Hill Whitaker, Chief Development Officer for the Boys & Girls Clubs of Southern Maryland. "The grant from the Comcast Foundation will help us in our efforts to provide positive experiences to will help transform the lives of young people in our community."

COMCAST CARES/ PLANT THE TOWN

Mark your new 2013 Calendar now! Volunteers will be needed for the 6th annual Plant the Town in conjunction with Earth Day. We will begin planting the flower beds along Bay Avenue at 8:30 a.m. on Saturday, April 27, 2013. Join Comcast volunteers, the North Beach

House and Garden Club, the Red Hatters, and the Bayside Boys & Girls Club to beautify our town. Free lunch will be provided to all volunteers.

Comcast is excited, once again, to be part of this event and has designated the Boys & Girls Club as its "Charity of Choice." Pre-register at Town Hall or call 410.257.9618. You can also register at the Welcome Center the day of the event.

COUNCILMAN BENTON RECEIVES HONOR

On October 24, 2012, Councilman Mike Benton met with Girl Scout Troop 339 at Town Hall to assist the troop in earning their Government badge. During the

meeting, members of the troop asked questions and also did role-playing as if they were council

members. At the Town Council meeting on January 10, 2013, Councilman Benton was presented with an American flag that was flown over the U.S. Capitol on January 3, 2013.

NORTH BEACH LOSES LONG-TIME RESIDENT, COACH AND MENTOR

The Town of North Beach recently lost a beloved resident. On September 9, 2012, Gilbert Salvatore Simonds, Sr., better known to most as “Buddy” or “Coach”, passed away. Buddy was a member of St. Anthony’s Catholic Church and Past President of the Beach Buccaneers. He enjoyed playing and coaching baseball, and coaching many Buccaneers’ football players from the beach area. Buddy was looked up to by many and was a positive influence on the youth he mentored. He and his wife, Dolores, had six children of their own, but many of the beach kids looked to Buddy as a father figure. While teaching the game of baseball or football, he also taught plenty of life lessons and left an impressionable mark on many.

The town is currently planning a spring-time dedication for Buddy. Please keep your eyes open for the final details of the dedication.

Gilbert “Buddy” Salvatore Simonds, Sr.
October 4, 1943 - September 9, 2012

*“He was a coach to many.
Not just a coach of sports,
but a coach of life.”*

Subscribe to E-NEWS

To receive the most up-to-date information around town, go to our website, www.northbeachmd.org, and click on the Subscribe to News link. By joining our email list you will receive “E-News” sent out by the town staff. When we post information on events, meetings, emergency information, street closures, etc. you will immediately receive an email. Another way to keep up with the town happenings is to **like** the NORTH BEACH MARYLAND

community page on Facebook and follow us on Twitter @north_beach_md.

TWIN BEACHES: 100 BEST COMMUNITIES FOR YOUTH

The Calvert Collaborative for Children and Youth (CCCY) held its award ceremony for the “100 Best Communities for Youth” at Town Hall on Tuesday, January 8, 2013. The event was a celebration of the work being done by organizations from the business community, non-profits, the faith community, and local government. North Beach and Chesapeake Beach received an award in honor of organizations and businesses in the Twin Beaches area that contribute to the well-being of young people. This award was presented by Jordan LaPier of America’s Promise Alliance and Guffrie Smith, president of CCCY. In addition

to the celebration, there were presentations by local organizations, including the Girl Scout Troop 6745, Abigail Francisco School of Classical Ballet youth dancers, and youth performers from the Twin Beach Players.

Note: All trash/bulk/recyclables must be curbside by 6 a.m. Trash must be bagged, placed in a trash can with a lid. Recyclables must be in a container clearly marked recycling container. Bulk trash pickup is on a ONCE-A-MONTH BASIS, BY APPOINTMENT ONLY. Call Town Hall by the Friday prior to the monthly pickup date to schedule an appointment for your bulk trash pickup.

February 8-10: Ice Skating on the Pier

BACK BY POPULAR DEMAND

The town hosted an ice skating event the weekend of January 4th through 6th. The event was a huge success so we are going to try it again! On February 8th, 9th and 10th, we are inviting you to give it a try. Put your skates on and glide across the synthetic ice rink, rented from Fantasy World Entertainment. If you don't have skates, you can rent them at the rink. On Friday, February 8th and Saturday, February 9th, you can warm up by the bonfire on the beach during the evening hours.

SKATE NB

FRIDAY, FEBRUARY 8: 6 to 10 pm
SATURDAY, FEBRUARY 9: 12 to 10 pm
SUNDAY, FEBRUARY 10: 12 to 6 pm

ADMISSION: \$5
SKATE RENTAL: \$3
