November 2015  
Volume 24, Issue 2

## MESSAGE FROM THE MAYOR

Dear North Beach Residents,

This edition of the town newsletter highlights the very busy and productive year North Beach has had in 2015.

Two significant capital projects were completed this past summer which will serve residents and visitors alike for many years. The new Sunrise Garden was opened on August 22, 2015 with a ribbon-cutting ceremony attended by Governor Larry Hogan, Maryland Senate President Mike Miller and the Calvert County Commissioners. We are especially appreciative of the effort made by Governor Hogan who made the visit even though he was in the middle of treatment for non-Hodgkin's lymphoma. Recent reports indicate that the Governor has now been declared cancer-free. Great news!

Secondly, the newly reconstructed and refurbished fishing pier has been widely praised for its new, fresh look and redesign with a separate fishing deck. The town will be aggressively marketing the new pier as a wedding and reception venue.

On another note, the town was very fortunate to have been selected by the American Planning Association (Chicago) to be the beneficiary of a town center master plan prepared by planners from different parts of the country. To that end, volunteers came together in North Beach for several days to study the area, receive input from business owners and the public and to prepare a report with specific recommendations which identify and enhance the small business and civic centers of town. Their report is available on the town's website. (See Page 2).

Finally, we have a fresh food market in town! North Beach is now the second location for Calvert's own Chesapeake's Bounty. Owned by founder, Will Kreamer, this important addition to town is located on Bay Avenue next to Lighthouse Market and has already become a popular destination for those seeking always fresh, locally grown plants, produce, meat, seafood, dairy products and more.

As we approach the "off-season" for North Beach, on behalf of the town council and staff, I would like to wish you all a safe, happy and well-deserved holiday season.

Warmest Regards,

Mark R. Frazer, Mayor

*The Jewel of the Chesapeake Bay*  
**North Beach, Maryland**

## Upcoming Events

# 2015

**December 4, 7 pm**

**LIGHT THE TOWN:** North Beach begins the festive holiday season by lighting up the town! Onlookers gather on the pavilion as we flip the switch to light up the town Christmas tree and holiday displays.

**December 5, 12 pm**

**PAT CARPENTER HOLIDAY PARADE, SANTA & CHRISTMAS ON THE BEACH:** Line the boardwalk for the best view of the parade. After the parade, Santa and Mrs. Claus visit with children and give them a special treat. Tell the kids to bring their wish list to share with Santa! Warm up around the campfire as you enjoy refreshments!

**December 20, after 6 pm**

**HOLIDAY HIGHLIGHTS CONTEST:** Decorate your home or business for the holidays for your chance to win! Prizes and certificates will be awarded. Sponsored by the North Beach House & Garden Club.

**January 1, 2016, 1 pm**

**POLAR BEAR PLUNGE:** Plungers take a quick dip, splash or swim in the frigid Chesapeake Bay. Enjoy hot cocoa and roast marshmallows around a warm bonfire.

## AMERICAN PLANNING ASSOCIATION VISIT

In August, 2015, an American Planning Association (APA) Community Planning Assistance Team (CPAT) visited the Town of North Beach to help us create a plan for our “downtown” area (see photo).

North Beach has a population of approximately 2,000 within the incorporated area. Platted around the turn of the 20th century, North Beach originally had visions of being a vacation resort for wealthy residents of Washington, DC. Throughout its history, the town has had its ups and downs. It is currently experiencing a revival and renewal. However, the “downtown” area is largely undeveloped or underdeveloped. The Planning Commission of North Beach, with the blessing of the Mayor and Town Council, applied to APA for a CPAT team to help North Beach create a plan for the downtown area.

The CPAT visit, the public meetings and subsequent plan were a huge success. What made this successful was:

- Committed elected representatives.
- An effective communication strategy, including what the town already had in place.
- An involved public.
- An involved business community.
- A dynamic CPAT leader.
- A well selected and very talented CPAT team and a very talented pool of expert planning professionals that the American Planning Association has to choose from!

What will continue to make this successful is that the Town intends to implement as much of the Plan as is appropriate and practical, especially those elements that most strongly support economic development, and make North Beach a better place to work, live and play.

## DEPARTMENT OF PUBLIC WORKS (DPW) UPDATE

*Donnie Bowen, Superintendent, Department of Public Works*

Hopefully everyone has had a chance to visit the new Sunrise Garden and the renovated town pier. DPW played a major role in both of these major projects and we are very pleased with the outcome. It was a pleasure to work on projects that are a nice asset to the town's public space and that can be enjoyed by all. Fall is here and it brings such beautiful color to the trees. The downfall to the picturesque foliage is that the leaves fall and become an obstruction for the stormwater collection system. DPW would like to remind residents that it is very important to properly dispose of your leaves, as this goes a long way in keeping the storm drains and collection boxes clean and working properly.

The town fared pretty well with the threat of the hurricane. We received more of a Nor'easter and didn't get as much rain as first predicted. The town did experience flooding at the normal locations. In the 5th Street area, we received four inches of rain prior to the storm's arrival. The 9th Street area did experience flooding from

abnormal high tides during a four-day period at the peak of the storm. The town has plans and has held a pre-construction meeting with Environmental Concerns, a contracting firm, to build a flood berm in this area. The berm is designed to be 3.5 feet above sea level and help to protect the area from this type of flooding. Construction is expected to start shortly after Thanksgiving.

Last, but not least, winter is not far off. With the way the weather changes around here, we could see snow at any time.

Remember, if you have off-street parking, please use it during snow events as it makes it much easier to plow the streets if vehicles are not in the way. Check the town's website for details on the snow removal policy and winter weather tips.

Have a safe and joyous holiday season!

## *Calling all* **BRIDES & GROOMS-TO-BE**

The Town of North Beach is now accepting reservations for weddings on the newly-renovated pier for 2016! For more information, please call Stacy at 301.855.6681 or email [northbeach@northbeachmd.org](mailto:northbeach@northbeachmd.org).

## *Message from* *Outgoing President* **HOUSE & GARDEN CLUB**

As I sit here and reflect back to 1999, I think of all we have done, all that was done before us and what we are going to do. This is our 30th year as the North Beach House and Garden Club, originating in 1985 to beautify the town. We want to thank all the people that worked with us, opened their homes, gave donations for various things and for supporting us. We could not have made it if not for everyone helping. This was our last year for having a House Tour and my last year as President. We will move on with other ideas and a new slate of officers. After serving 13 years as President, it was time to retire. Even though I had moments, but don't we all when we love something and then give it up?

If you wish, come along on our journey. For more information, call Deborah Noyes at 571.334.0289 or email [deborahnoyes@comcast.net](mailto:deborahnoyes@comcast.net).

New officers for the North Beach House and Garden Club are as follows:

Deborah Noyes, President  
Joan Krell, Vice President  
Sheila Poole, Secretary  
Norma J. Smith, Treasurer  
Sally Donaldson, Historian

Thank you,  
Sally Donaldson

## Holiday Decorations Throughout Town

The town employees and many volunteers have been decorating the town for the holiday season. It takes about 6-8 weeks to complete the installation prior to the official lighting of the tree and the annual parade and Santa on the Beach.

The total weight of all the decorations is over 6,000 pounds. There is one mile of extension cords to be installed. The Christmas tree is 22 feet tall, is adorned with over 800 ornaments and takes two days to decorate. There are 1,875 feet of garland from 1st Street to 5th Street (4 tenths of a mile) and is dressed with 68 bows. The eight, 8 foot figurines from the Nutcracker Suite Ballet, on the t-section of the pier, were created by students and volunteers from Abigail Francisco School of Classical Ballet. Installation usually takes over 500 hours to complete. We hope you enjoy the festive decorations!

## NOVEMBER 28

## THANK YOU FOR A GREAT BEACH SEASON

The Town Attendants would like to thank everyone for a fantastic summer season. The town residents were very helpful in notifying us of repair concerns, safety issues, and clean-up opportunities along the boardwalk and

throughout the town. Although the Welcome Center is closed, the restrooms will remain open daily. Check the restroom opening and closing times posted at the Welcome Center. Please help us by keeping our

beach, pier and boardwalk areas clean while we are gone. There are ample trash receptacles and "mutt mitt" stations for your convenience. Pets must be leashed and cleaned up after. Lastly, please do not feed the wildlife.

We'll see you the last weekend in April, 2016.

## NORTH BEACH: SMART ENERGY COMMUNITY

On June 29, 2015, the Town of North Beach was recognized for its participation in the Maryland Smart Energy Communities (MSEC) program. The town was awarded a stately placard to showcase its leadership. MSEC is a great opportunity for Maryland city, county, and local governments to take control of their energy future. By adopting a set of policies related to energy efficiency, renewable energy, and/or transportation, a community will be designated a Smart Energy Community and receive grant funding for energy projects. The program is run by the Maryland Energy Administration and supports energy projects.

## IN MY OPINION . . .

It's that time of year again, when we begin to think about "settling in for the winter" and "nesting".

It's also a time to reminisce bygone days and times and to look forward to the upcoming holidays.

For some, including myself, this season will be somewhat less celebrated because I lost my father this summer. I have mourned him every day. Sometimes I hold back tears when I pick up the phone just to bug him, or when I see "daddy" on my cell phone, or have some good news or, of course as all daughters do...just want to hear his voice and get his input on things. But, truthfully, all I have to do is speak to him openly or feel him in my heart. I miss his wisdom and love.

In his last days, he loved to sit on his deck and feel the sun on his face. He would say, "Man, doesn't that sun feel good!" And it did! Daddy went to rest on June 20th, 2015. He was a wonderful man and father.

Having said all that, holidays ARE a time for memories. The warm smell of a turkey roasting, pies and cookies baking, fresh greens on the stove and sweet potato casserole in the oven create their own memories! Everyone

*Marsha Stiner, Receptionist at Town Hall*

deserves a good home cooked meal over the Thanksgiving and Christmas season!

Holidays are also the time to express your thankfulness for all the blessings which have been bestowed upon you and yours. Every day is a gift and should be treasured and treated special. Look around you. Whenever you reach out to touch a loved one, younger or older, remember each and every thing about them; what they're wearing, the sun playing in their hair, the light in their eyes and the pure love that can emanate from within. Remember you are a treasure to them, as well. Each has their own special place.

Okay, now I know that sounds like an

old woman, but these are such good things to remember...loved ones.

It's also a great time to be appreciative of your surroundings; your home, your community and yes, your workplace too! Take pride in who you are, where you live, and what you have accomplished. Once you take stock of those things, you'll be amazed at what you have to be grateful for.

Just simply slow down and take time to be thankful. Take a deep breath, prepare and enjoy the upcoming seasons!

Thank you for allowing me to express my personal thoughts and emotions and I'd like to offer my most heartfelt wishes for a wonderful and Happy Holiday Season to all!

## LIVING SHORELINE PROJECT UPDATE

Environmental Concerns from St. Michaels., MD has completed all the stone grading and initial planting work under their contract for which the town has a \$550,00 Grant from the U. S. Fish & Wildlife Foundation. Environmental Concerns will return to the site in the spring to reestablish any plantings that do not survive the winter months.

*North Beach living shoreline looking south from Hooper property in Holland Point*

## Wastewater Treatment PLANT UPGRADE

The project to upgrade the Chesapeake Beach Wastewater Treatment Plant to meet current State discharge requirements is now 70% complete. The scheduled completion date is June, 2016. About 20% of the sewage treated by the plant is from North Beach. The total project costs is \$16.5 million. The Town of North Beach's share is \$3.2 million, which is funded by a grant and a loan from the State flush tax funding and the town sewer fund.

## A Little Facelift AT CALLIS PARK

The old picnic tables have been removed and were replaced with new-style tables, one of which is handicapped accessible. In addition, a bench was installed to the west side of the tot lot so you can sit and keep an eye on those toddlers. We hope you and your children enjoy these upgrades!

## SUNRISE GARDEN

Sunrise Garden is open year-round, dawn to dusk. We ask that you please observe these general park rules to ensure everyone's visit is pleasant!

- No person or animal is allowed in the ponds or water features.
- No recreational motorized scooters, bicycles, skates, skateboards or rollerblades are allowed in park area.
- No family events or group activities allowed without a Town permit.
- This is a DRUG-FREE, ALCOHOL-FREE and TOBACCO-FREE zone.
- Children are to be supervised by an adult at all times; parents are responsible for children's behavior.
- Pets must be on a leash.
- No tents or tent-like structures are allowed.
- No amplified music is allowed.
- Grilling and/or open flames are not permitted.
- No picnicking allowed.
- Do not feed the wildlife.
- No loitering.

## SOLAR PANELS

The Town of North Beach received grant funding from the Maryland Department of Energy in the amount of \$37,500.00. The project was awarded to Solar Tech. The project is now 95% percent completed and includes 44 PV modules with two inverters. The interconnection of the solar panels to the BGE power grid is scheduled for the first week of December.

## EXPERT ON CUBA

Acclaimed public speaker, author, travel writer and photographer, Christopher P. Baker, spoke to a full house at Town Hall back in July.

Mr. Baker is National Geographic's #1 Tour Guide and one of the world's leading authorities on Cuban travel and culture. The Town of North Beach was proud to host Mr. Baker and thrilled to learn so much about Cuba from a person so intimately familiar with the island's culture, society, history, politics, and economics.

## CHESAPEAKE'S BOUNTY

The new Chesapeake's Bounty is located at 9124 Bay Avenue. In addition to offering a variety of local seafood, fresh foods, plants, and seasonal items, they have a mobile kitchen on weekends. For the 2015 winter holiday season, the mobile kitchen will be tentatively open for brunch on Saturdays from 8 am to 2 pm. The mobile kitchen will be serving some amazing breakfast dishes and popular lunch eats, using local veggies, meats, eggs, and homemade breads and sauces. Chesapeake's Bounty will also be offering yoga in the near future. Make sure you check their website ([www.northbeachbounty.co](http://www.northbeachbounty.co)) and Facebook page for updates. For more information, please call 443.646.5700.

# NOVEMBER 28

## DARLING BEAMS

Darling Beams has recently opened at 9106 Chesapeake Avenue. They offer handcrafted, 100% natural soy candles & wax melts, as well as all-natural body products, made from beeswax, cocoa, shea and mango butters along with pure essential oils. Darling Beams also carries organic bath & body products, certified organic whole bean coffee, as well as local art and jewelry. For more information, please call 202.747.4898 or visit [www.darlingbeams.com](http://www.darlingbeams.com).

## ACCEPTING NEW PATIENTS AT TWIN BEACHES: DR. MELISSA STONER

Melissa Stoner, MD, practices family medicine at Calvert Primary Care Twin Beaches, providing comprehensive health screening and care for every member of the family. Dr. Stoner received her medical degree from Georgetown School of Medicine and did her residency at Georgetown/Providence Family Medicine Residency, both in Washington, DC. She also received her Bachelors of Science degree in Biology from Georgetown University.

In medical school, Dr. Stoner resonated with family medicine because it treats the whole person and focuses on preventative care as much as curative

care. "My job as a family physician is to be my patients' advocate for achieving and maintaining good health. I'm not there to judge or preach, or condone bad behavior. I am there to help them understand their options for treating existing conditions and provide guidance on how to build a healthy lifestyle.

Prior to joining CPA, Dr. Stoner worked in Urgent Care and Primary Care for five years. There, she had the opportunity to work with patients of every age, race, marital status and sexual orientation. "I really enjoy being able to help a wide variety of patients. All that really matters to me is that they are honest with me.

Tell me the truth – good or bad – I can work with that."

Dr. Stoner is a member of the American Medical Association and the American Academy of Family Physicians. To make an appointment, call 410-414-2778 (APPT). Calvert Primary Care Twin Beaches is part of the CPA network that includes primary care as well as specialists in ENT, gastroenterology, general surgery, hematology and oncology, OB/GYN and physical medicine and pain management. Most insurance plans are accepted and new patients are always welcome.

4th-6th Grade students are invited to this event which uses plenty of hands-on activities to have fun with reading! Registration is required.

January 7: [Take a Toll](#)

**ENVIRONMENTAL COMMITTEE & ECONOMIC  
DEVELOPMENT COMMITTEE**

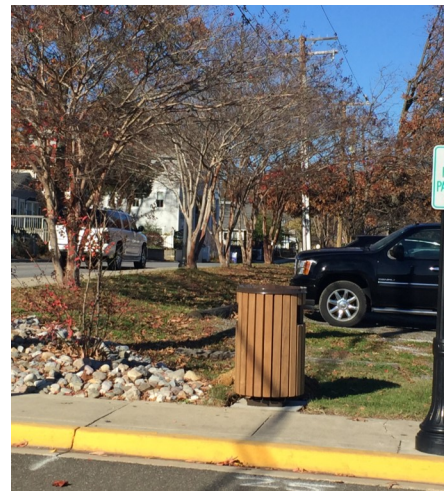

**What's behind a Trash Can?**

Have you noticed the new additional trash cans around town? Maybe the one on 8th Street or 2nd Street? Isn't it true that we just take trash cans for granted? We finish a soda or a sandwich and just toss the can or wrapper into a trash can that conveniently appears in our time of need! Do you ever wonder who thought to put a trash can right there in that perfect spot? Or, isn't it great that I don't have to walk five blocks with trash in hand?

In a joint effort this summer, the Environmental and Economic Development Committees joined forces, in the spirit of town beautification, to thoughtfully consider what additional locations need a trash receptacles. The committees gathered at the waterfront one summer evening, broke off into pairs with a town map in hand and traversed every street in North Beach! The teams had the following criteria in mind as they assessed new spots in desperate need of a trash can:

1. Foot and car traffic resulting in trash and litter
2. Line of sight between trash cans in heavily trafficked area
3. Distribution throughout town - not just the waterfront
4. Avoiding location that would be displeasing to a homeowner or business

Following the survey of the town, the committees made a joint presentation to the council with their recommendations. The council ultimately approved 10 new trash cans in key locations throughout town. The new trash cans were then installed by the Public Works team the beginning of November. This is another critical step in making North Beach an even more beautiful and clean place to live.

We can all play a role in keeping our town beautiful, clean and litter free! One small thing can make a difference such as putting your trash bins away or throwing away a stray soda can that isn't even yours. Town pride is contagious.

The Environmental Committee meets at Town Hall the first Tuesday of each month at 7:00 pm. The Economic Development Committee meets at Town Hall the last Wednesday of each month at 7:00 pm. Please join us and share your ideas for making North Beach an even more beautiful place to live. If you would like to share your comments electronically, please email us at [info@northbeachmd.org](mailto:info@northbeachmd.org).

Gwen Schiada, Vice President, North Beach Town Council

## CONGRATULATIONS! YOU ARE A MEMBER OF THE NORTH BEACH NEIGHBORHOOD WATCH

Because you are a resident of the great Town of North Beach, you and your family are members of the North Beach Neighborhood Watch (NBNW). The group is great. There are no dues. Occasionally, we get together, however there are no obligatory meetings to attend to be a member in good standing. All we ask is that you look out for your neighbors and our town. If you "See Something, Say Something"! Pretty great, isn't it?

If you are the type who likes to attend meetings and discuss things in person, know that we do attend the Town Council meetings the second Thursday of every month. The meeting offers a time for public comment. In this way we can share any concerns with the entire town council, as well as our police officers who are always in attendance. If you prefer, we would be happy to talk with you privately after the meeting, or, send your thoughts, ideas, or concerns to us via email at any time. If we are unable to assist through NBNW, we will do our best to direct you to the appropriate town personnel.

We have a monthly newsletter that is filled with information regarding what's going on around town; tips to keep you, your family, and property safe; and a copy of the monthly Sheriff's report. Unless an emergency situation arises in the beach, this will be the only email you receive. In addition, the email is sent under BCC so we are not sharing your email address with anyone. To add your name to the email list, send an email to [northbeachnw@gmail.com](mailto:northbeachnw@gmail.com).

Note: If you have given us your email address and have not received any newsletters, please know that we had emails kicked back for a few people who signed up in person over the summer. Send your email address again.

**Tip of the month:** As the holiday season approaches and you begin your holiday shopping, know that the thieves are gearing up for the season too! Do not let them have your gifts! Take your packages in the house or hide packages out of sight and lock your car doors!

### Calendar of upcoming events:

Thursday, December 10, 7 pm Town Council Meeting, Town Hall

Tuesday, January 19, 7 pm at Neptune's Restaurant as we make plans for 2016. If you are not able to attend, feel free to share your thoughts and ideas via email or drop a note a town hall.

**We are neighbors looking out for neighbors!**

**If you have an emergency, call 911!**

**Something doesn't seem right? Don't Hesitate! Please Call Now!**

Calvert County Sheriff's Office  
Non-Emergency: 410-535-2800

Calvert County Crime Solvers:  
410-535-2880

Google Calvert County Crime Solvers or online at  
[www.co.cal.md.us/index.aspx?NID=453](http://www.co.cal.md.us/index.aspx?NID=453)

## BULK TRASH

Bulk trash pickup is on a ONCE-A-MONTH BASIS, BY APPOINTMENT ONLY. Call Town Hall by the Friday prior to the monthly pickup date to schedule an appointment. Bulk items should not be set out until the night before your scheduled pickup. Please refer to the calendar in this newsletter for the designated bulk pickup days. If you have any questions, feel free to call Town Hall at 301.855.6681.

## Calvert Library Twin Beaches Branch PROGRAMS/EVENTS

### LEGOMANIA 6:30 pm

For kids from kindergarten to 5th grade. Lego enthusiasts will meet monthly to hear a story followed by a Lego building session. Each session will close with sharing time. Legos supplied by library. Registration required. January 14, 16: [Dreams](#)

### DROP-IN COMPUTER CODING 5:00 pm

Have fun learning the languages of computers. It's fun, It's easy. November 19; December 3, 10, 17; January 7, 14, 21, 28

### CHESS (AT LIBRARY) 10 am

Chess enthusiasts or wannabe enthusiasts—please join us (w/or w/out your own chess set) December 12, January 9

### ON PINS & NEEDLES 1 pm

Bring your quilting, needlework, knitting, crocheting, or other project for an afternoon of conversation and shared creativity.

November 23; December 7, 14, 21, 28; January 4, 11, 25

### MANGA OTAKU CREATOR'S NIGHT December 1 7pm

Teen and tween otaku will develop the skills to draw their own comics! Artist/illustrator (and Calvert librarian) McNevin Hayes will guide you through the basics of visual storytelling for comics.

Note: All trash/bulk/recyclables must be curbside by 6 a.m. Trash must be bagged, placed in a trash can with a lid. Recyclables must be in a container clearly marked recycling container. Bulk trash pickup is on a ONCE-A-MONTH BASIS, BY APPOINTMENT ONLY. Call Town Hall by the Friday prior to the monthly pickup date to schedule an appointment for your bulk trash pickup.

**Polar BEAR Plunge**  
**January 1 2016**

**Net proceeds will go to CALVERT MEALS ON WHEELS, INC!**

**TO SPONSOR:**

This event draws hundreds of brave participants and thousands of spectators each New Year's Day at 1:00 pm. It is **guaranteed** exposure and advertising for your business.

Sponsorship costs \$300 and the **benefits** include:

1. Printed logo on boardwalk banner for THE ENTIRE YEAR.
2. Printed logo on Polar Bear Plunge t-shirts that participants receive after plunging.
3. Online promotion of Polar Bear Plunge event and sponsors.
4. Four Polar Bear Plunge t-shirts.

If you are interested in sponsoring this exciting local event, please contact Dawn Richardson at 301.855.6681 or drichardson@northbeachmd.org. Deadline is December 7, 2015.

**TO PLUNGE:**

The 2016 POLAR BEAR PLUNGE is guaranteed to be **COOL!**

There are **three** ways to participate in the plunge:

1. PRE-REGISTER THROUGH DECEMBER 27<sup>th</sup>: Go to [www.northbeachmd.org](http://www.northbeachmd.org) and click on the link to register and pay \$25 via PayPal. This **GUARANTEES** you receive a **personalized plunge certificate** and **plunge t-shirt**.
2. Starting at 11 am on January 1<sup>st</sup>, REGISTER, SIGN A WAIVER AND PAY \$25 at the Welcome Center. With this registration you will receive a **blank plunge certificate** and a **plunge t-shirt** (first come, first served).
3. SIGN A WAIVER on January 1<sup>st</sup> at the boardwalk; there is **no fee** to plunge, but you must sign a waiver. You will receive a **blank plunge certificate only**.

For those who don't wanna be COOL, there's plenty of room on the boardwalk to watch!

**2016**
