MESSAGE FROM THE MAYOR

Dear North Beach Residents,

As the season changes and our very full event calendar winds down, I would like to express my appreciation to the residents most impacted by the large crowds for their patience and understanding. North Beach has become a very popular destination, especially every Friday evening from May to October, and it's gratifying to see the town make the many visitors feel welcome. Thank you!

At the October 9th Town Council Meeting, the last of the current administration, three very meaningful actions were taken by the members of the council. First, after a year of analysis, research and grant-seeking, the town was able to request proposals for the construction of a living shoreline on the site of the Walton Beach Nature Preserve. This project will result in the restoration of 50-60 feet of beach lost to erosion and stabilize the new shoreline with plantings and a stone sill. For this project, North Beach was awarded a \$540,000 grant from the National Fish and Wildlife Foundation and the award was made to Environmental Concerns, a company out of St. Michaels, MD.

The same company was also awarded the contract to build an earthen dike to the south of the living shoreline which will help to prevent flooding in the 9th Street area following exceptionally high tides on the Bay. These flooding events certainly seem to be occurring with greater frequency. Work on this project will be coordinated with the living shoreline project.

The third action was to award the contract to construct the water feature in the Bayfront Park to the low-bidder, Knee-Deep Ponds. This project was re-bid last month after initial bids were rejected for being too high! An updated budget for the park was presented to the public which reflects the recent action of the Calvert County Open Space Committee to place the park in the county FY 2016 Capital Improvement Program for an award of \$125,000. When combined with State of Maryland grants of \$250,000 and private funding of \$30,000, the town will now be able to fully fund construction of the Bayfront Park with no expenditure of North Beach taxpayer's dollars. Copies of the park budget are available from Town Hall. When finished, this park will preserve and protect the last green space which the town owns on the waterfront and add to the town's spaces where residents can relax and, in this case, enjoy what will be a beautiful asset to our town.

On behalf of the entire council, I would like to say it has been a privilege and an honor to have served you for the past four years. We all thank you for the opportunity and hope you feel, as we do, that North Beach is a better place today than it was when we were elected.

Mark R. Frazer, Mayor

Upcoming Events

2014

October 25, 12 to 2 pm

HOUND OF THE TOWN

{Raindate Oct 26}: A costume parade just for dogs and dog lovers on the boardwalk!

Owners will walk their furry friends along the parade route where they will be introduced and judged by our panel of judges. Prizes will be awarded at the end of the parade. Go to www.northbeachmd.org for details on how to enter. All proceeds benefit Calvert Animal Welfare League.

October 25, 3 to 5 pm

BOO BASH {Raindate Oct 26}

The North Beach Business Loop and the Town of North Beach present the 5th Annual Halloween Boo Bash! Register your child from 2:15 to 3:00 pm on the pavilion. Parade and judging to follow. Trick or treat at local businesses after judging. At dusk, the drive-in movie, *THE WITCHES*, will be shown on the visitor parking lot. Don't miss this spooktacular event!

October 31, 6 to 8 pm

HALLOWEEN: Trick or Treat will be held throughout the town. Please be aware of all the ghosts, goblins, witches and vampires while driving.

THANK YOU FOR A GREAT BEACH SEASON

The Town Attendants would like to thank everyone for a fantastic summer season. The town residents were very helpful in notifying us of repair concerns, safety issues, and clean-up opportunities along the boardwalk and throughout the town. Although the Welcome Center is closed, the restrooms will remain open daily. Check the restroom opening and closing times posted at the Welcome Center. Please help us by keeping our beach, pier and boardwalk areas clean while we are gone. There are ample trash receptacles and "mutt mitt" stations for your convenience. Pets must be leashed and cleaned up after. Lastly, please do not feed the wildlife. We'll see you the last weekend in April, 2015.

WELCOME NEW BUSINESSES

The Town of North Beach would like to welcome North Beach Dental Care and Chesapeake Skin and Body Company!

North Beach Dental Care is located in the North Beach Professional Building at 9120 Chesapeake Avenue, Suite 300. They provide a pleasant and relaxing experience to all patients in a home-like atmosphere, as well as on-time scheduling and convenient, extended hours. For more information, please call 443.550.8115 or visit www.northbeachdentist.com.

Chesapeake Skin and Body Company is located at 9132 F Bay Avenue. They bring a realistic approach to skin care and overall skin health. Each service is customized to the individual and their specific skin care needs. Offering "result based" facial treatments and advanced skin care options to give you the skin you've always wanted. Their Body Bronzing is customized to each individual for the perfect "sun-kissed glow" the healthy way. For more information, please call 410.829.7019 or visit www.cpeaksbc.com.

MUTT MITT STATIONS

The town has added more mutt-mitt stations for easy access in four convenient locations: the corner of 9th

Street and Atlantic Avenue, the entrance to Wetlands Overlook Park and at each entrance to Callis Park. This brings our count to 14 mutt-mitt stations along the waterfront, at Overlook Park and locations used by pet owners throughout the town. Thank you for cleaning up after your pet.

NEW FLOOD MANAGEMENT ORDINANCE

On October 9, 2014, the Town Council adopted a new Flood Management Ordinance that complies with all the current FEMA requirements for the town to remain eligible for flood insurance under the National Flood Insurance Program. All properties in the flood zone of North Beach are encouraged to maintain flood insurance on their property and building contents. In cases where property owners have mortgages through a federally regulated or supervised lending institution, flood insurance is mandatory.

In addition to the new Flood Ordinance, a new flood map prepared by FEMA will become effective on November 19, 2014. Both the new flood zone map and ordinance can be viewed on the town website.

Property owners should contact their insurance broker with questions about insurance requirements and the Town Zoning Administrator with any questions on the Flood Map and Ordinance.

DEPARTMENT OF PUBLIC WORKS (DPW) UPDATE

Donnie Bowen, Superintendent, Department of Public Works

I don't know about you, but it seems like I blinked and summer was over. Hopefully, everyone had a chance to get out and enjoy everything that was happening in town. This summer's weather really brought some beautiful days to enjoy outdoors.

Public Works staff stayed busy throughout the season with continuing to make infrastructure improvements, helping with setting up for all the events, and daily maintenance items that focused on general cleanup of the town. Some of the major projects included:

- Installing 450 feet of new storm drain pipe in the area of 8th Street and Chesapeake Avenue to solve a long standing problem with storm water in this area.
- Replacing approximately 100 feet of storm drain pipe throughout town to improve drainage in several areas.
- Installation of new sidewalk and curb along Dayton Avenue from 3rd Street to 5th Street. This has become a busy and popular area with the Bayside Boys and Girls Club, Bayside History Museum and the North Beach Senior Center all located in this block. The sidewalk and curb helped with pedestrian traffic and parking in the area.
- Upgrading of the Bay Avenue sewer station. This station was last upgraded in 1984 and is at the end of its normal operation life. A new diesel backup pump has been purchased and will be installed in the coming weeks. The station upgrade also includes the purchase of two new submersible pumps for daily operation of the station.

Work will begin in the near future on repairs and re-decking of the town pier. This work will also include a new section for fishing on the lower level of the pier. The paving contract has been awarded, and paving work will begin very soon on milling and re-paving of 2nd Street and related area. The town awarded a unit-price contract and will pave as many areas as the budget allows. Milling and paving along the new sidewalk on Dayton Avenue is also scheduled to be completed at this time. Please use off-street parking, if available, and be patient while this work is being done. Thank you in advance for your cooperation in making this work go as smoothly as possible.

Fall seems to be starting off with great weather! DPW will take advantage of this and continue working on general cleanup of the town, focusing on alleys, storm drain pipes and tree trimming. If you notice areas that need attention, please call Town Hall at 301.855.6681 and relay that information. Everyone be safe and enjoy the fall season!

Upcoming Events

2014

December 5, 7 pm

LIGHT THE TOWN: North Beach begins the festive holiday season by lighting up the town! Onlookers gather on the pavilion as we flip the switch to light up the town Christmas tree and holiday displays.

December 6, 12 pm

HOLIDAY PARADE, SANTA & CHRISTMAS ON THE BEACH: Line the boardwalk for the best view of the parade. After the parade, Santa and Mrs. Claus visit with children and give them a special treat. Tell the kids to bring their wish list to share with Santa! Warm up around the campfire as you enjoy refreshments!

December 14, 6 pm

HOLIDAY HIGHLIGHTS CONTEST: Decorate your home or business for the holidays for your chance to win! Prizes and certificates will be awarded.

January 1, 2015, 1 pm

POLAR BEAR PLUNGE: Plungers take a quick dip, splash or swim in the frigid Chesapeake Bay. Enjoy hot cocoa and roast marshmallows around a warm bonfire.

Much Appreciated COMPLIMENTS

"I am writing to thank you very much for the wonderful job you have done (and continue to do) to the town of North Beach. My wife and I truly enjoy walking our dogs along the boardwalk and paying patronage to the many shops. We appreciate the cleanliness of the grounds and facilities, friendliness of staff and the control efforts to maintain a positive environment (alcohol scrutiny). The general setup facilitates ingress/egress for various modes of pedestrian travel leading to much pleasure for those who choose to walk, jog, skate board, etc. We can't say enough good things about the fabulous job you have done. Keep up the terrific work. Very much appreciated."

Douglas Jones

A Little Facelift CALLIS PARK

The swings on the toddler swing set have been replaced with more sturdy, safer seats. The picnic tables will soon be replaced with a new style table, one of which is handicapped accessible. We hope you and your children enjoy these upgrades!

MARYLAND BUY LOCAL CHALLENGE WINNERS

The Red Hat Queen B's took the Maryland Buy Local Challenge and they won! This year's contest was, "Take the Challenge to the Extreme." The Queen B's group pledged to eat at least one item from a local farm every day during Buy Local Week, July 19 - July 27, 2014.

The North Beach Queen B's took the Challenge to the extreme by finding out "how many ways you could create a vegetable [dish]. There are many ways to and it was fun sharing with each other. It

was amazing how much healthier we felt all week doing this, and we will continue through the summer." The Queen B's submitted a calendar for each member,

charting what they purchased, where they purchased it, and how they prepared it every day during the week. They also submitted two recipes.

Last month,

Agriculture Secretary, Buddy Hance, presented the winners of the challenge with their prize, a \$100.00 gift certificate for the Maryland's Best Ice Cream Trail! Congratulations, ladies!

NEIGHBORHOOD WATCH | PUBLIC SAFETY

The Neighborhood Watch | Public Safety Committee meets every third Monday at 7:00 pm at the North Beach Town Hall. All residents are welcome and your input is needed. We will be discussing topics that affect the beach. Some things you can expect at the meetings are guest speakers, questions for the sheriff, and much more

that we believe you will find beneficial. If you have any questions please feel free to contact North Beach Town Hall at 301.855.6681. And remember:

**IF YOU SEE
SOMETHING, SAY
SOMETHING!**

IN MY OPINION . . .

Hello All! It's that time of year again when the weather begins to change, the bugs disappear, grass needs to be cut less, and you can actually sit on your porch or deck and enjoy the pleasant weather with a feeling of relaxation and anticipation towards the upcoming seasons.

Fall in the beach is beautiful and noticing the daily changes of the flora and fauna is an even more recuperative time of year; time to look backwards at what changes you may have made, accomplishments and making plans for the future. It's also an exciting time of year with the anticipation of Halloween, Thanksgiving and raking leaves!!!

Winter is also a beautiful season to appreciate; quiet time in the morning, the smell of the fireplace or woodstove, the possibility/apprehension of snow and of course, what to get everyone for Christmas! Oh, and don't forget the Polar Bear Plunge! That's always a fun time!

This season, we have many, many events in which to participate and I invite all to take part in these fun-filled and happy times! Make some memories! I also challenge everyone to get out as much as possible and meet and make some new friends. North Beach has a wealth of opportunity for all ages and interests. Take advantage of them!

We've got businesses that deserve your patronage and revenue. Support our local businesses! Shop in town instead of spending extra gas money and time running all over the place looking for that "special gift" for someone!

The Bayside History Museum has lots of children's programs this season and every resident in town should know the unique history of our "Jewel of the Chesapeake Bay"!

It's also an election year. GET OUT AND VOTE because YOUR VOTE COUNTS!!! Remember, your North

Marsha Stiner, Receptionist at Town Hall

Beach address must be your PRIMARY place of residence in order to participate in the town's election on Tuesday, November 4th.

Most importantly, take care of yourself and your family. This is your most precious asset! Spend time with and enjoy each and every minute you have because time passes so quickly; as we all know. Enjoy the camaraderie of your friends for they too, are assets. And finally, take pleasure in knowing you have done your best. Take a deep breath, close your eyes, exhale and SMILE!!! Appreciate yourself!

HOUNDS AND GOBLINS

On October 25, 2014, the town will host the 2nd Annual Hound of the Town event from 12:00 to 2:00 pm. Again this year, there will be a pet photo contest and a costume parade for dogs and their owners. This well-attended and fun event raises funds for the Calvert Animal Welfare League. For more information on entering your pet, go to cawldogcostume.org or northbeachmd.org.

On the same day, from 3:00 to 5:00 pm, The North Beach Business Loop and The Town of North Beach present the 5th Annual Boo Bash. Kids get their turn to put on costumes and parade down the boardwalk for the Boo Bash Halloween celebration. After the costumes are judged, children go to town businesses to trick-or-treat. Registration is from 2:15 to 3:00 pm.

Finish out the day with a drive-in movie. Join us at dusk on the visitor parking lot for a showing of *The Witches*.

t a great season!

ENVIRONMENTAL COMMITTEE

Many residents have asked, "What's up with Walton Beach? Why is there a No Entry sign if the town purchased the site with taxpayer's dollars? What is a nature preserve and what are the future plans for the beach?" These are all great questions that the Environmental Committee thought would be helpful to provide some answers to in this edition of the newsletter.

A Nature Preserve is defined as an area that is managed and operated to protect, maintain and restore natural features such as plants, animals, water quality and quantity, soil and geological features and ecological services & functions.

Walton Beach Nature Preserve requires special management activities because shoreline erosion rates are high, wetlands are susceptible to invasion from non-native species, the water quality is impacted from storm water run-off, and trash and other waste can easily overwhelm the public access areas.

The town purchased Walton Beach to protect it and restore it. As many of you know, the town recently received a large grant to build a living shoreline to prevent further erosion and restore the beach. The contract was awarded on October 9th and construction will soon begin.

The Environmental Committee is currently working on a list of

recommendations for appropriate future uses for the beach that are compatible with the living shoreline and other natural features. Some of these uses may include bird watching, nature study, beachcombing, and non-motorized boat launching such as stand-up paddle, kayaks and wind surfboards. Non-compatible uses may include picnicking, camping and other activities that would negatively impact the area.

We can all play a role in keeping our town beautiful, clean and litter free! One small thing can make a difference such as putting your trash bins away or throwing away a soda can that isn't even yours.

Town pride is contagious!

The Environmental Committee meets at Town Hall the first Tuesday of each month at 7:00 pm. Please join us and share your ideas for making North Beach an even more beautiful place to live. If you would like to share your comments electronically, please email us at info@northbeachmd.org.

Environmental Committee Members Include:

Denise Lucero, Committee Chair
Guy Stone, Committee Co-Chair
Jane Hagen
Karyn Molines
Allan Creamer
Gwen Schiada, Council Liaison

PLAYING WITH TWIN BEACH PLAYERS

Story by Sid Curl

For the first two weekends in August, one could travel to the Boys & Girls Clubs of Southern MD and see a group of happy kids and joyful adults performing in Twin Beach Players 9th Annual Kids Playwriting Festival.

Over 60 children spent their summer in a form of evening camp learning speaking roles and designing and creating all things needed to perform for their peers and families in a theatre gathering to present six original scripts by kids chosen from 25 applicants. These six children plus the additional 19 were awarded with folder certificates, presented generously by The Calvert County Commissioners, with embossed gold lettering on burgundy paper with certificate of gratitude inside; listing the name of the author, their school, and thanks of accomplishment signed by all commissioners.

TBPs was honored, on their Saturday VIP night, to have North Beach Mayor Mark Frazer along with Calvert County Commissioner President Pat Nutter, Chesapeake Beach Town

Councilpersons Valerie Beaudin and Eric Reinhardt to present the much garnered awards to each of the children during the intermission. TBPs was also appreciative of Mayor Mark Frazer to take the time in his mayoral announcement speech to mention Twin Beach Players as well as Abigail Francisco School of Classical Ballet as leaders in the community for further developments of the arts. This is a proud time for TBPs as to having the Mayor and Council support our efforts of working with children by the council giving space to us in the Boys and Girls Clubs located on Dayton Ave. Finally, Twin Beach Players has a home

and location for the community of North Beach and surrounding area to view live theatre.

Next, coming in October for Halloween, TBPs will present The Legend of Sleepy Hollow an original adaptation by Mark Scharf. If one saw our original production of Frankenstein two years ago, also written by Scharf, then you know you will see an excellent script that will have one gripping their chair. Mr. Scharf is an internationally published playwright and is a part of the Twin Beach Players family as our playwright in residence. The cast will be a combination of our adult company and Youth Troupe players. Frankenstein is now a published script with TBPs players and staff listed as the original production company and publishing agents have already shown interest in

Sleepy Hollow being published as well. The Legend of Sleepy Hollow will open on October 17th and run through November 1st with a special late evening performance on Halloween. As always go to our Web site or Facebook page for further information; www.twinbeachplayers.com.

Again we wish to thank our partner The Boys and Girls Clubs of Southern MD and Mayor Frazer and the wonderful North Beach Town Council for their continuing support.

Remember, "come play with us;" there is theatre in the Beaches.

Calvert Library Twin Beaches Branch PROGRAMS/EVENTS

CODE NAME 4, 5, 6

6:30-7:30 pm

4th-6th Grade students are invited to this series of events which uses plenty of hands-on activities to have fun with reading! Registration is required.

PLAYTIME

Saturdays, 10:45 am

Playtime is learning and discovery time for you and your child. Engage in interactive play. Connect with other parents. Have fun! No registration necessary. For ages birth through 5 years old.

Museum HAPPENINGS

The Bayside History Museum will hold its 11th Annual Block Party on Sunday, October 26, 2014 from 1:00 to 3:00 pm at 4025 4th Street. Bring your favorite sharks teeth or fossils to be identified by Calvert Marine Museum Curator of Paleontology, John Nance. The last day to turn in your passport for the Star Spangled Banner War of 1812 Contest is Friday, October 24, 2014. The award of cash prizes for the contest will be at 1:30 pm. Also, at 1:30 pm will be introductions of elected officials and candidates. John Bacon will be there to talk about the Chesapeake Beach Oyster Cultivation Society and oyster restoration in the bay. This is a free event with refreshments and a children's craft table. As part of the KIDS Fall Fun on Fridays, Celebrate Frankenstein Friday is at the museum on October 31, 2014 at 2:00 pm. Celebrate with fun games like "witch's stew," wrap the mummy, pass the pumpkin and candy corn catch! Wear your Halloween costume and get a treat! Ages 3-5, children must be accompanied by an adult. \$1/child.

AN ECONOMIC DEVELOPMENT STRATEGY

In the Spring, the EDC was tasked by the Mayor and Town Council to retain the services of a Business Consultant to review the business and economic climate of North Beach and provide suggestions and guidance for retaining current businesses and attracting new ones.

After issuing an RFP and reviewing a variety of proposals, with the approval of the Mayor and Town Council, we retained the services of Sage Policy Group and Dr. Anirban Basu.

In order to understand the community's business climate Dr. Basu was guided on a walking tour of the entire town. In addition, Dr. Basu conducted a combination of data analysis, interviews and focus groups. This included business owners, elected officials, real estate agents, developers, town employees and residents.

The report is a road map to the future business climate of North Beach. Dr. Basu has identified challenges such as seasonality, improvements on

Chesapeake Avenue, competition from nearby towns, limited spending power and disunity between business and government. However, he sees the town's beauty and potential and offers suggestions for improvement. These suggestions include an Indoor Market, a hotel, including waterfront restaurants, a ballroom and meeting space. He also encourages town festivals and events planned jointly by both town and businesses, neighborhood beautification and an extensive media marketing campaign.

North Beach is a lovely walking town characterized by its small town charm, the spirit of comradery, local businesses, local events, historic residences and its jewel, the Chesapeake Bay. Tourists love it and residents call it home. This is an outside perspective with suggestions to improve and implement not to change the charm of North Beach.

Lisa Payne and Karen Ankerbrandt and the North Beach Economic Development Advisory Committee

OPERATION SECOND CHANCE - OPERATION HOPE ON THE CHESAPEAKE

As part of Operation Hope on the Chesapeake, wounded veterans came to the twin beaches to enjoy time on the bay. This year, the event took place August 16 and 17. The honored heroes were welcomed with community members waving flags and banners and cheering them as they were escorted into Chesapeake Beach.

The Town of North Beach was honored to treat around 25 of the wounded veterans and their families to a day at the beach and fishing off of the pier.

Operation Second Chance is a tax-deductible, charitable organization that assists

wounded military personnel and their families. There are many ways to participate or donate to this worthy cause. For more information, please email marymathis502@comcast.net or call 410.610.2710. Your support is needed to continue to make this event successful.

Note: All trash/bulk/recyclables must be curbside by 6 a.m. Trash must be bagged, placed in a trash can with a lid. Recyclables must be in a container clearly marked recycling container. Bulk trash pickup is on a ONCE-A-MONTH BASIS, BY APPOINTMENT ONLY. Call Town Hall by the Friday prior to the monthly pickup date to schedule an appointment for your bulk trash pickup.
