Gwen began a discussion about foods trucks, saying she's open to the trials if they can be utilized as an opportunity/mechanism to gather valuable feedback/quantitative data specific to our town related food trucks/economic development. Thus, if they're going forward, it's important for EDC to have input into the design/process

EDC will draft criteria at our May meeting for input to the Planning & Zoning Commission to use for the Food Truck pilots.

EDC will look into scheduling a joint meeting with Planning and Zoning in May to decide how EDC should be involved with planning and executing the food truck pilots.

For our June 27 meeting, Gwen will invite Veronica Owens, who takes care of grants for the town. Ken Hennings will be invited also.

Mr. Russo has expressed an interest to attend EDC's joint meeting to share his plans.

The meeting adjourned around 9:00 p.m.
