Good afternoon Town of North Beach Businesses,

Please reply with a “yes” if you are receiving my email messages!

I am passing along information regarding the COVID-19 Layoff Aversion Fund that was designed to support businesses undergoing economic stresses due to the pandemic by preventing or minimizing the duration of unemployment resulting from layoffs. Please see the attached one page flyer for details. I also encourage you to visit the Maryland Department of Labor [website](#) and the Maryland COVID-19 Information for Business [website](#) for helpful information. These pages will be updated frequently so I encourage you to check back when you can. Lastly, don't forget to check the town [website](#) for any updates regarding COVID-19 Coronavirus.

If you have questions or would like to discuss any information I have forwarded, please email or call me at your convenience.
