## MESSAGE FROM THE MAYOR

Dear Neighbors,

Well, another busy year has come and gone! The town is now entering a “quiet” period for four months when events are at a minimum and North Beach is able to rest, recover and prepare for the warmer weather and the tourists that arrive in the late spring.

Congratulations to the town staff for the excellent job they did last year and thank you to our many visitors who enjoyed North Beach and who, in the annual Bay Weekly “Best of the Bay” contest, voted North Beach:

- . Best Bay Beach
- . Best Town or Neighborhood
- . Best Community Event: Bay Harvestfest
- . Best Farmers’ Market

On another note, the town has a full schedule of capital projects which have either been completed, are nearing completion or will start in 2014. You probably have noticed the Municipal Parking Lot on Chesapeake Avenue, near 7th Street. Access to Bay Avenue has been completed and work is progressing for an additional access to 7th Street. A boardwalk trail in the Overlook Park has recently been completed which provides access to the Park from town-owned property behind Burnt Oaks. A wildlife observation path will be constructed on this property in the foreseeable future. We are now doing renovations and expansion work on the Welcome Center. In its present size it can no longer handle the demand that summer crowds place on the facility (which was built in 2000). Also, extensive work will be done on the pier as a new lower level fishing platform is created and the upper level is improved to make the pier more attractive as a wedding venue. Much needed repairs will also be done on many of the pilings which support the pier deck and which, in some instances, are over 40 years old. Finally, we will soon be going out to bid on the first phases of the 3rd Street Park development. When finished, this park will provide a beautiful and peaceful setting for the enjoyment of our residents and guests.

Thank you to all our residents who take pride in their homes and in the appearance of the town. Your efforts in maintaining your property are appreciated by your neighbors and by the town. For those who decorated for the holidays, another thank you and congratulations to the winners of the Holiday Highlights competition. See page 7 for the list of winners.

Let’s get through the winter and before we know it, mild weather, flowers blooming and springtime showers will be here!

Sincerely,

Mark R. Frazer, Mayor

## House & Garden

# TOUR

The 28th Annual North Beach House and Garden Tour will be held on Sunday, June 1st from 1 to 5 p.m. The tour will begin at St. Anthony's Church parking lot on Chesapeake Avenue, between 1st and 2nd Streets. Stay tuned for details of the homes on this year's tour. For more information, please call Sally Donaldson at 410.286.3988.

*The Welcome Center opens for the season on Sunday, April 27, 2014.*

## NEWS FROM THE WATERFRONT

The beach and Welcome Center will open on April 27, 2014. The hours of operation are as follows:

- April 27 through May 23: 8:00 a.m. to 6:00 p.m., Monday through Thursday
- May 24 through September 20: 8:00 a.m. to 11:00 p.m. Friday, Saturday and Sunday.

Mark your calendars for March 10, 2014 to remind you to visit the Town Hall for your annual beach pass and vehicle parking stickers. Beginning March 10th, you may obtain passes and parking stickers Monday through Friday, between the hours of 8:30 a.m. and 4:30 p.m. Proof of residency is required. Beach Passes and Parking Stickers are valid from May 1st through October

31st for each calendar year. Town residents will be issued beach passes. You must reside within the town limits to obtain a parking sticker. A copy of your lease agreement for rentals and each vehicle registration showing proof of residency must accompany request (application available at Town Hall and on website) for sticker. Property

owners who reside within the town limits will be issued a permanent sticker for each vehicle. Property owners who do not reside within the town limits will not be issued a parking sticker. Renters within the town limits will be issued a parking sticker valid until April 2015. All sticker requests will be verified by the property records we have on file for the address. Vacation rentals may obtain daily beach passes at the Welcome Center, but must show their Lease Agreement each visit. For more information contact Town Hall at 410.257.9618 or 301.855.6681.

## DOGS RUNNING AT LARGE

Please be reminded that Article II Dogs, Section 26-3 of the code of the Town of North Beach states that no person shall own or harbor within the Town of North Beach any dog unless such dog is licensed as provided by the ordinances and regulations of Calvert County. All ordinances and regulations of Calvert County concerning dogs shall apply within the corporate limits of the Town of North Beach. In addition, this includes the provisions of the Calvert County Code which call for all dogs to be on a leash when in the company of their owner outside the confines of the owner's property. In addition, it is expressly prohibited for any dog to be

on the town beach, whether said dog be at large or on a leash. It is the intention of the Council that dogs are prohibited on the sand beach under all circumstances.

Additionally, Section 26-7, Enforcement, states that the Mayor, Town Code Enforcement Officer, Deputies of the Calvert County Sheriff's Department, and Dog Wardens of Calvert County shall have jurisdiction within the corporate limits of North Beach to enforce all provisions of this article. Section 26-8, Violations and penalties states that violations of this article shall be a municipal infraction.

## DEPARTMENT OF PUBLIC WORKS (DPW) UPDATE

So far this year, winter has been kind to our area, but as anyone knows who has lived here any length of time, that can change overnight. Here is a brief outline of the town's snow removal plan in case we receive winter precipitation. Pre-storm, prior to the snow fall, streets will receive a treatment of salt or chemicals, depending upon forecast conditions. When snow reaches a height of three inches, town staff will begin plowing. The staff will try to maintain two clear lanes on all streets and intersections starting with main accesses to and from town and working outward. Please remember in these types of events to use off-street parking, if available, as this is a great help to crews that are trying to clear streets. Once the streets are clear, crews will start clearing parking areas. This will be done while residents are at work or away from the home, which allows crews to be more efficient when parked cars are clear from normal parking areas. Every effort will be made to ensure residents

have a safe travel to and from work, etc. For a complete copy of the Snow Removal Plan, please visit the Department of Public Works link under the Government tab on the town website.

Work is going to start soon on renovation of the Welcome Center bathrooms. This is a much-needed update to the existing restrooms which will make for a more pleasant experience for everyone visiting the area.

The new walkway trail from the Burnt Oaks neighborhood to the Wetlands Overlook Park is now in use. Please come out and enjoy this beautiful, sometimes forgotten, part of town. DPW has started on a second walkway from the new town parking lot location on Chesapeake Avenue. This walkway will allow foot traffic to travel from the parking lot to 7th Street. This will allow easier access to all the businesses located in that area.

## Flood Zone Mapping CHANGES

In March 2013, FEMA issued Preliminary Flood Insurance Rate Maps (FIRMs) for areas of Calvert County, including the Town of North Beach. When these maps are approved by FEMA for use by the town's flood management measures, the town will be adopting an updated Flood Management Ordinance that will include the new mapping and improved flood management measures that FEMA requires in order for properties in the town flood plain area to be eligible for flood insurance. The town expects to be starting the process of updating its Flood Management Ordinance in February and completing in the fall of 2014. The new flood maps will replace the FIRMs last adopted in 2011. There are significant changes in the Special Flood Hazard Area boundaries in the area of the Atlantic Avenue properties south of Seventh Street. The new Preliminary FIRMs will soon be available on the town's website. A copy of the current Flood Ordinance is already on the website. Please contact Town Hall with any questions about the town's flood management program and flood insurance.

## 3rd Street Park UPDATE

CPH, the Town's designer for the 3rd Street Park has now completed pre-final drawings and specifications for the development of a neighborhood park at the corner of Bay Avenue & 3rd Street. Town staff is now working on funding for the park and developing a phasing plan so the construction can be staged as funding becomes available. In the fall of 2013, Town Public Works completed preliminary grading at the site. The plans for the park can be viewed on the town's web site..

## Seasonal Employment TOWN ATTENDANT

The Town of North Beach is looking for qualified individuals to work as Town Attendants, at the beach/waterfront areas and throughout the town for the 2014 summer season. The position is part time and only seasonal. Applicant must be willing to have an open/flexible schedule – seven days a week, days and nights. Applicants need to consider that this is an outside position and must be comfortable working under hot weather conditions. A complete job description and application is available on line at [www.northbeachmd.org](http://www.northbeachmd.org) and at the Town Hall at 8916 Chesapeake Avenue, Monday through Friday, 8:30 a.m. to 4:30 p.m. **Applications are only being received through February 21, 2014.**

## 2013 BEST OF THE BAY

For 16 years, the Bay Weekly newspaper has asked readers to report on their favorite things and determine the Best of the Bay. We are happy to report that the Town of North Beach won in multiple categories, as did businesses in town. The results are as follows:

- Art Gallery: Artworks @ 7th
- Theater Company: Twin Beach Players
- Cupcakes: Blondie's Baking Company
- Dessert: Sweet Sue's Bakeshop & Coffee Bar
- Mexican Food: Mexico
- Dentist: Dunkirk Dental Associates (Mayor Frazer's dental practice)
- Bay Beach: North Beach
- Bay Town or Neighborhood: North Beach
- Community Event: Bay Harvestfest
- Living History: North Beach Museum (Bayside History Museum)
- Margaritas: Mexico
- Neighborhood Bar: Neptunes
- Antique Store: Nice & Fleazy Antiques
- Farmers Market: North Beach
- Most Scenic Run: North-Chesapeake Beach

A great big thank you goes to everyone who participated in the survey! Our civic pride has once again shone through!

## ZIP MEETS DATE

On Friday, February 7, 2014, the Town of North Beach will experience an event that occurs only once a century. It's called Zip Meets Date. The date of 2-07-14 will match the town's zip code of 20714. This rare occurrence will be recognized at a

small event at the North Beach Post Office at 11:00 a.m. on February 7, 2014. The public is invited and light refreshments will be provided.

A special pictorial cancellation has been designed by North Beach resident, Steve Kortie. On February 7, you may request that your outgoing mail be cancelled with this

special postmark. You may also request this postmark on an unaddressed envelope with appropriate first class postage to keep as a souvenir.

Mayor Frazer would like to thank retired postal employee, David Reyno, for coordinating this special occasion.

Come out and have something stamped with this special stamp. If you don't, you'll have to wait 100 more years!

## IN MY OPINION . . .

Hello to all and I hope your Holiday Season was both happy and healthy!

Many good things have occurred since my last "opinion" was written; but you've already read about these wonderful things in the Mayor's greeting, so I won't be repetitive.

What I will say to all is the fact that I have ridden through Town on occasion and noticed leaves are being raked into the streets. Please **DO NOT** rake the leaves out onto the streets! Aside from the fact it looks "ugly", the leaves will also wash into the drainage system and possibly cause problems. This will only make it worse; not just for the Town, but for residents as well. So please respect your neighbors and yourselves and just bag the leaves. Once bagged, you can place a few bags out with household trash on Mondays and Fridays for pickup and the leaves will be taken IF there is room on the truck. Remember though, the **HOUSEHOLD** trash has **PRIORITY!**

Please remember **BULK TRASH** needs to be called into Town Hall for pick up and if you don't call, it won't be picked up! **DO NOT PLACE ANY BULK ITEMS AT THE PICK UP SITE UNTIL THE NIGHT BEFORE** and items not scheduled will not be picked up. Please don't leave items outside for the next bulk pick up because not

*Marsha Stiner, Receptionist at Town Hall*

only does it look bad, it may attract rodents, etc.

The Town is constantly improving and I think it will only get better! Our residents are conscientious of their homes and the Town's perpetuity. We have a great neighborhood and support system. We do our best to keep everyone informed of the Town's happenings; immediately updating via the website, the Town's signs, and of course...the telephone. We consider each and every concern and try to resolve issues within a reasonable amount of time. I believe we've come a long way realizing communication is important for prospering.

Remember, this is **YOUR** Town, **YOUR** backyard, **YOUR** home! Take pride in it and keep it looking good! It is, after all, the "Jewel of the Chesapeake Bay"!

## COMCAST CARES/PLANT THE TOWN

Mark your new 2014 Calendar now! Volunteers will be needed for the 7th annual Plant the Town in conjunction with Earth Day. We will begin planting the flower beds along Bay Avenue at 8:30 a.m. on Saturday, April 26, 2014. Join Comcast volunteers, the North Beach House and Garden Club, the Red Hatters, and the Bayside Boys & Girls Club to beautify our town. Free lunch will be provided to all volunteers.

Comcast is excited, once again, to be part of this event and has designated the Boys & Girls Club as its "Charity of Choice." Pre-register at Town Hall or call 410.257.9618. You can also register at the Welcome Center the day of the event.

**SUCCESSFUL FALL EVENTS**

A very successful 3rd Annual Bay Harvestfest was held on October 5th and the highlight this year, in addition to the duck and pig races, was a crab soup cook-off. Restaurants throughout Calvert County competed for the top prize with their own crab soup recipes. On October 26th, the town held its first ever dog costume parade, known as the Hound of the Town. This event raised funds for the Calvert Animal

Welfare League. It was well attended and everyone had a howling good time! On the same day, the kids got their turn to parade down the boardwalk and through town for the Boo Bash Halloween celebration. After the costumes were judged, the children got to trick-or-treat at town businesses. Thank you to all involved for helping to make these events a great success!

# Town Resident Survey

PLEASE REMOVE THIS CENTER SECTION (PAGES 7-10), COMPLETE THE SURVEY AND RETURN BY FEBRUARY 28, 2014.

Dear Resident,

You may recall that a survey similar to the one on the next few pages was conducted two years ago. That survey was based on resident input and resulted in the town providing large recycle bins with strong lids and wheels to residents. This led to a substantial increase in recycling.

Again, your input is needed on our trash and recycling program. As a resident, your opinion is important. Please take a few minutes to respond to the survey on pages 7-10 of this newsletter so that we may continue to make improvements and enhance the quality of living in North Beach. Your feedback matters! After answering the questions, simply return this survey to the Town Hall by dropping it off in our drop box or by mailing it to P.O. Box 99, North Beach, MD 20714. You may also complete this survey online at <https://www.surveymonkey.com/s/NBTRASHSURVEY>. Your answers will be kept confidential and will be used only in combination with other replies. Please respond to this survey by February 28, 2014. Thank you in advance for participating.

### IT TAKES FIVE WEEKS TO DECK OUR HALLS

As you may have noticed the Town of North Beach added some new decorations this year to complement our existing decorations. If you are new to the town, here are some impressive facts for you:

- The town employees and many volunteers decide to get started decorating the second week in November (and working with the weather) to get the installation completed prior to the official lighting of the tree and the annual Santa on the Beach and parade.
- The total weight of all the decorations is over 5,000 pounds.
- The Christmas tree is 22 feet tall and is adorned with over 800 ornaments.
- There is 1,875 feet of garland from 1st Street to 5th Street (4 tenths of a mile) dressed with 78 bows.
- The fourteen, 8-foot figurines from the Nutcracker Suite Ballet, on the grassy lot at 3rd Street and Bay Avenue, were created by students and volunteers from Abigail Francisco School of Classical Ballet.
- Total installation takes about 30 days and over 500 hours to complete.

## ANNUAL POLAR BEAR PLUNGE

What we call the “coolest” event of the year, proved to be just that. With a water temperature of just 38 degrees and an air temperature of 46 degrees, 355 brave Polar Bear Plungers jumped into the Chesapeake Bay on January 1, 2014. Because of the low tide level, the plunge was held on the south side of the pier this year. There were thousands of spectators perched on the boardwalk, finger piers and even on the rocks.

Again this year, there were three ways to participate in the plunge. Participants could pre-register on the town’s website and pay a \$25 registration fee that ensured them a long-sleeve 2014 Polar Bear Plunge t-shirt and a personalized certificate. Participants could also pay the registration fee the day of the plunge and still receive a t-shirt and certificate, although it was first come-first served. The final way to participate was to sign the plunge waiver and jump in!

The town acquired business sponsors for this year’s event. As part of the sponsorship, businesses earned a spot on the town’s 2014 Special Events Banner. This banner will be proudly hung at the boardwalk during this calendar year.

Finally, the net proceeds of the 2014 Polar Bear Plunge will be given to the Chesapeake Bay Foundation. The Town of North Beach is very pleased with the turnout of bears and spectators and also pleased to be able to provide such an enjoyable afternoon for so many as we kickoff a new year!
