Rick Crump, Zoning Administrator

Agenda

- Review the Comprehensive Plan Survey
- Adjournment

Call to Order

- Jerome Hansen called the May 24, 2023, Planning Commission Meeting to order at 7:05 pm. A quorum was present for the meeting.

Minutes from previous Planning Commission Meetings

- No minutes to approve.
- **Comprehensive Plan Survey Discussion:**
- The Town promoted the survey for many weeks. The survey link closed today. There was a significant response to the survey versus previous years. Preliminary results were pulled and provided to Planning Commission members for discussion. Rick provided the results from the survey to the Comprehensive Plan consultant to review. The Commission members discussed the possibility of receiving feedback on the survey from the younger generation. It was determined to leave the survey link open and do further promoting of the survey. Stacy will provide the Commission members with the survey results in an Excel spreadsheet and review several questions to clarify the sentence structure.
