

**Town of North Beach Critical Area Mitigation Planting Project
Addendum #2
September 15, 2022**

The Town of North Beach has re-evaluated the proposed plants for the project. The following plant adjustments are below:

REMOVE:

- 1) Box elder
- 2) Common witchhazel

REDUCTION IN THE NUMBER OF PLANTS:

- 1) Loblolly Pine – Reduce to 9 (8')
- 2) Common Persimmon – Reduce to 10 (#5 container)
- 3) Eastern RedCedar – Reduce to 10 (#5 container)
- 4) Shadblow Serviceberry – Reduce to 5 (#5 container)
- 5) Southern Bayberry – Reduce to 19 (#5 container)
- 6) Wax Myrtle – Reduce to 17 (#5 container)
- 7) Black Cherry – 2 (2")

INCREASE IN THE NUMBER OF PLANTS:

- 1) Highbush Blueberry – Increase to 11 (#5 container)

PLANTS WHOSE NUMBERS REMAIN THE SAME:

- 1) Eastern Baccharis = 10 (#5 container)
- 2) Winterberry – 24 (#5 container)

ADDITIONAL PLANTS:

- 1) Rose Mallow = 10 (#3 container)
- 2) Salt Marsh Mallow = 10 (#3 container)
- 3) River Birch = 2 (2' or 8')

The Town of North Beach is also extended the submittal deadline to Monday, September 19, 2022 at 4:00 pm
