ADDENDUM

DATE: November 5, 2021
PROJECT: North Beach Flood and Stormwater Action Plan
ADDENDUM No: 2

NOTICE OF CANCELLATION

This addendum serves as notice from the Town of North Beach determination to cancel the North Beach Flood and Stormwater Action Plan Request for Proposals (Flood Plan RFP).

The Town has determined that it would be in the best interest of the project to have the contractor secured by the Department of Natural Resources (DNR) who will be completing the mapping prior to issuing the Flood Plan RFP. A contractor has been selected for this task, the scope of work is drafted, and we expect that the contract will be finalized soon. Once a contractor is secured, we will be better able to respond to general and/or specific questions from bidders related to mapping.

The Town will re-issue a new Flood Plan RFP for this project as soon as possible. The Town apologizes for any inconveniences this may have caused. As a courtesy, those attending the pre-bid site meeting will be notified when a new Flood Plan RFP is re-issued.
