### PREVENT THEFTS FROM VEHICLES

The Town of North Beach would like to remind citizens to lock your car doors and remove any valuables whenever you park your vehicle. It takes very little time for a thief to enter an unlocked vehicle and relieve the owner of their hard earned property. If it isn't practical to remove the valuables, please ensure that they are locked in

the trunk or hidden from view. Medications and cash should never be left unattended inside your vehicle. It is also a good idea to lock sheds, garages and any other areas where valuables are stored. Any time you observe suspicious activity, please report it immediately. Non emergencies can be reported to the Calvert County Sheriff's Department at 410.535.2800. For emergencies, please call 911.

### SELLING OR BUYING A HOUSE IN NORTH BEACH?

The Town of North Beach provides water/sewer services to all of its residents. Invoices for these services are mailed out in January, April, July and October. It is very important that we have a current mailing address on file for you to receive the water/sewer bill.

If you decide to sell your house, it is your responsibility to obtain a Final Water Read. You are responsible for the water/sewer usage up until the date of sale. It is also your responsibility to pass on to the Title Company that they must forward the water/sewer payment from escrow along with a copy of the Settlement Sheet, also known as the HUD-1.

As a property owner in North Beach, if you decide on making your home a long- or short-term rental there are codes that must be followed along with licenses that must be obtained. See 'Licensing' on the town website for more details.
