North Beach Community Conservation will have an evening Family Moth Night on July 22 from 8 to 10 pm at Wetlands Overlook Park. Bring a blanket and some snacks as the naturalist shows different techniques for discovering our night flying moths. We will “Sugar” for moths, use bait traps and a blacklight sheet tent to see what creatures come out at night. We may spot fireflies, Luna moths, bats flying and beetles too. If you would like to volunteer to help with set up or attend the event, send email to lgarrett@northbeachmd.org. Event will be postponed if it rains. Rain date will be July 29, 2023.
