

Diabetes Expo

Tuesday, October 25th
2:30 - 6:30pm

The Farmers Market at
CalvertHealth Medical Center

Join us for this phenomenal health opportunity to learn about diabetes care from your head to toe! There will be local and national organizations to present on resources, education, and the latest pharmaceutical technologies.

Offerings Include:
Dieticians, Continuing Glucose Monitor and Insulin Reps, Health Screenings, Diabetic Educators, local resources and so much more!
