

COUNTDOWN TO EARTH DAY

Celebrate Earth Day Every Day

1. Start a Nature Journal
2. Clean up your yard
3. Start some garden seeds indoors
4. Collect toilet paper tubes for crafts
5. Make a recycle craft
6. Plan a nature trail in your yard
7. Make Easter egg birdseed feeders
8. Take photos of flowers blooming
9. Turn off the lights and save energy
10. Dye Eggs with natural dyes like onion skins or blueberries
11. Use egg cartons to make an eggshell garden
12. Get a reusable refillable water bottle
13. Make your own sidewalk chalk and draw wildlife in your driveway
14. Plan a garden for pollinators
15. Plant a native tree
16. Put up a hummingbird feeder
17. Do an energy audit of your house
18. Turn off the leaky faucets!
19. Conserve energy with LED lights
20. Use rechargeable batteries
21. READ THE LORAX!
AND
22. Celebrate Earth Day!!!

How Can your family celebrate the 50th Anniversary of Earth Day? We put together a list of some fun activities you can do each day to celebrate. Maybe you can bake cookies or cupcakes and decorate them like Earth!

Post pictures of your crafts or Earth Day Celebrations to #NBnature or #NorthBeachmd so we can share them.
