

HELP LIGHT UP THE BEACHES!

International Overdose Awareness Day

Monday, August 31, 2020

Continue burning bright throughout September in observance of Recovery Month

Show your support and join us in raising awareness about the devastating effects that Addiction & Opioid Use Disorder has on our families and communities by lighting the night purple.

LET'S BRING IT TO LIGHT

Together we can spread the message that the tragedy of overdose death is preventable.

It's time to REMEMBER...

It's time to ACT!

Pick up your FREE, purple outdoor/porch LED light bulb at the following locations & times while supplies last:
