

**Town of North Beach Maryland Observes  
National Preparedness Month**

**WHEREAS** As a coastal community, the Town of North Beach faces risks associated with hurricanes, tropical storms, floods, as well as tornados, and recognizes the importance of individual and community preparedness for emergencies and disasters; and

**WHEREAS** Each September, National Preparedness Month is observed nationwide and in North Beach to raise awareness about the importance of preparedness and encourage all individuals, families, businesses, and communities to take action to be better prepared for emergencies; and

**WHEREAS** The Town of North Beach is committed to safeguarding the well-being of its residents, businesses, and visitors and aims to enhance the overall resilience and readiness of the community by encouraging all residents, businesses, organizations, and schools to participate in preparedness activities throughout the month; and

**WHEREAS**, It is vital for residents and businesses in the Town of North Beach to be prepared for potential hazards such as severe weather events, flooding, power outages, public health emergencies, and other unforeseen incidents. The Town of North Beach actively encourages residents and businesses to create and maintain supply kits, emergency plans, and communication strategies to stay prepared; and

**THEREFORE**, by dedicating an entire month to promoting preparedness, the Town of North Beach recognizes the importance of promoting emergency preparedness and fostering a culture of safety, resilience, knowledge, and proactive planning among our citizens.

**NOW, THEREFORE, I MICHAEL BENTON, MAYOR OF  
THE TOWN OF NORTH BEACH, MARYLAND  
HEREBY PROCLAIM**

**September 2023 as  
National Preparedness Month  
In the Town of North Beach**

**Mike Benton, Mayor**
