WHEN THE LEAVES START TO FALL

Fall means beautiful foliage colors, but with this comes falling leaves. Please bag or haul away all leaves and yard debris. This will keep debris out of the storm drain collection system and ensure the water flows properly. Once leaves and debris enter the underground piping system, it is very difficult and expensive to remove this type of material. Bagged leaves can be placed with household trash for pick up on Mondays and Fridays.

REGULAR TRASH, RECYCLABLES & BULK PICK-UP

Regular trash must be placed outside **the night before** pick-up in a visible location in secured plastic bags and placed in trash cans WITH A LID; it is collected on Monday/Friday of each week. Promptly put away empty cans after trash is collected. **Recyclables** are picked up every Wednesday and must be in a container clearly marked "recycling." **Bulk trash** is picked up the third Friday of each month, by appointment only. Call Town Hall by the Tuesday prior to the monthly pickup date to schedule an appointment for your bulk trash pickup.. The full schedule is available on the town website.

WATER CONSERVATION CAN SAVE YOU \$\$\$

Water conservation measures are voluntary ways to reduce water use, both inside and outside the home, to protect and preserve precious water resources. Check the town website for tips on how to prevent unintentional water loss. These tips will serve as a guide as you implement conservation efforts that will potentially result in cost savings. Upon request, DPW can help determine your water challenge by performing a 5-gallon bucket test, a dye test, an inspection of the water meter, two manual reads per request and a 45-day review of your water usage.

CALVERT SHERIFF APP

The Calvert County Sheriff's Office mobile application is an interactive app developed to help improve communication with area residents, businesses, and visitors. App users can report crimes, submit tips, see the county's Most Wanted, and search for sex offenders in Calvert County. The app is available as a free download from the iPhone and Android app stores.
