

STORM READINESS

Consider following NOAA on Facebook at <https://www.facebook.com/NOAA/> or visiting their website at <https://www.noaa.gov/weather> so you will have all the details on future weather events. For tips on how to prepare for impending weather, visit the Town of North Beach's Emergency Preparedness page at <https://www.northbeachmd.org/residents-portal/pages/emergency-preparedness>

JOIN MYCOAST: MARYLAND

MyCoast is an app that provides a space to capture and analyze photos and data of flooding. The platform can capture nuisance tidal flooding, precipitation-caused flooding and coastal storm damage. Take photos of flooding and upload at www.MyCoast.org/MD or by using the mobile app.

ACCESS NORTH BEACH: YOUR LINK TO TOWN HALL

Reach out to town staff with your comments, compliments, suggestions or concerns. Use this app on the town website or download it on your smartphone. To use Access North Beach, choose a topic, enter your contact information and your question, suggestion, complaint or compliment. It's that easy!

TEXT NOTIFICATIONS

To receive text messages about things that may impact you as a resident, follow these simple instructions:

- TEXT **join northbeachalerts** to 30890 - OR -
- From the homepage of the town's website, click on **Subscribe to Text Notifications** and follow the steps to add contact details.

SUBSCRIBE TO E-NEWS

To receive informational emails, visit the town website and **Subscribe to News**. Choose the topic(s) on which you would like to receive emails. After entering your email address and submitting your request, check your email for a confirmation email. Reply to that email to start receiving town emails.

COMMUNITY CLEAN UP

RAIN OR SHINE! The Town of North Beach will provide a limited number of dumpsters for TOWN RESIDENTS to dispose of garbage, yard waste, bulk items, etc. The dumpsters will be available on 3rd Street between Chesapeake Avenue and Dayton Avenue on Saturday, April 29th from 8 am to 4 pm or until dumpsters are full. Residents must provide proof of residency. All items excluding hazardous materials may be disposed of at Community Clean Up. Hazardous materials include oil-based paints, pool chemicals, solvents, fertilizers and other items usually labeled with the words DANGER, POISON, or WARNING.

FIRST FRIDAYS

The 2023 First Fridays' season is about to start! On May 5th from 6 to 9 pm, enjoy DJ music, classic cars, food trucks, beer and wine vendors, small pop-up shops, and arts and craft vendors. For more information on First Fridays and a complete list of events in the Town of North Beach, visit www.northbeachmd.org.

FARMERS' MARKET

Saturday, May 6th marks the beginning of the 2023 North Beach Farmers' Market season! The season will continue every Saturday through October 7th from 8 to 11 am in the North Beach Senior Center parking lot. The market will include local vendors with items such as plants, farm vegetables, baked goods, meats, cheeses, and other fresh goods. More information and a map of the vendor layout can be found at www.northbeachmd.org.

BEACH OPENING

The Welcome Center and beach areas will open Saturday, May 20th. Town staff will continue to regulate the number of guests on the beach by utilizing the online ticketing program. ***Beach access is always unlimited for residents that live within the incorporated boundaries of the Town of North Beach.*** Residents must have their beach passes to enter the beach areas.

* Dates and times for residents to obtain a beach pass will be forthcoming and placed on the town website.

COMPOUND FLOOD ACTION PLAN FOLLOW-UP

At an April 20th public meeting, BayLand Consultants and Designers presented results of a year-long study on addressing our community's recurring stormwater and tidal flooding issues. To review documents and video relevant to the study and presentation, visit <https://www.northbeachmd.org/flood-committee>. Questions regarding the presentation and Compound Flood Action Plan will be accepted via email to dbowen@northbeachmd.org or lkabler@northbeachmd.org through May 1st.

HAS YOUR WATER BILL INCREASED?

If you have noticed an increase in your water bill, you might want to check your toilet to ensure it is functioning properly. Much of the time, a leaky toilet is the culprit for an increase in water usage. Residents should check for and repair leaks at faucets, shower, tub, toilet, etc.

LIBRARY SURVEY

The new Calvert Library Twin Beaches branch is due to open the Winter of 2024, and they want to hear from you! How are you looking forward to using the new building? What kind of events do you want to see there? Take the survey to give your opinion today! For a link to the [survey](https://www.northbeachmd.org), visit www.northbeachmd.org or <https://calvertlibrary.info/about-us/locations/new-twin-beaches-branch/>.

KEEP CHILDREN SAFE & PREVENT ACCIDENTS

With the arrival of warmer weather, more kids are out and about on scooters and bicycles. As parents, it's important to remind our children about bicycle and scooter safety and the rules of the road that pertain to them. Remind children of the following safety tips: always wear a helmet to greatly reduce the risk of serious injury or death in the event of an accident; bicycles and scooters are considered motor vehicles and need to always follow the rules of the road; always ride with traffic; and use hand signals to indicate turns or stops. If you or your child have questions or need clarification on the rules of the road pertaining to bicycles and scooters, please don't hesitate to stop any of the Twin Beaches deputies for a quick explanation.
