WHEN THE LEAVES START TO FALL

Fall means beautiful foliage colors, but with this comes falling leaves. Keep your gutters and downspouts clear to protect from possible water damage around your home. Please bag or haul away all leaves and yard debris. This will keep debris out of the storm drain collection system and ensure the water flows properly. Once leaves and debris enter the underground piping system, it is very difficult and expensive to remove this type of material. Bagged leaves can be placed with household trash for pick up on Mondays and Fridays.

EXPERIENCE CALVERT FESTIVAL

Be a part of the Experience Calvert Festival on Saturday, October 21, 2023, from 12 to 5 pm at the Jewel of the Chesapeake Bay! Gather your family for an afternoon of waterfront activities and explore a variety of vendors offering delicious foods, refreshing beverages, unique crafts and other products, and demonstrations.

FALL IN NORTH BEACH

Mark your calendars for these annual fall events in North Beach! The Hound of the Town and Boo Bash will be on Sunday, October 29, 2023, at the boardwalk.

NEW WATER & SEWER RATES

The new rates and change in minimum usages will go into effect with the October 2023 billing. A breakdown of the new water and sewer rates is available in the FY 2024 rate structure at www.northbeachmd.org.

The location of the dumpsters will be 3rd Street between Chesapeake Avenue and Dayton Avenue. See website for more details.

The weather is changing, but the Bayside History Museum is still open! The museum is open through the fall and winter months from 9 am until noon every Wednesday through Sunday. Take part in scavenger hunts and trivia contests for your chance to win \$2 bills!

OPERATION GREEN LIGHT FOR VETERANS

North Beach extends an invitation to participate in Operation Green Light! Let's illuminate our town from November 6 to November 12 by casting a radiant green glow outside our homes. This simple act will not only light up the streets but also send a powerful message to our veterans—letting them know they are seen, appreciated, and supported by the entire community. Green light bulbs are available for purchase at Sneade's Ace Hardware in Owings.

KNOW THE RIGHT-OF-WAY / CLEAR THE RIGHT-OF-WAY

The Department of Public Works encourages residents to lend a hand in clearing vegetative obstructions in an effort to create safe and accessible streets, sidewalks, and alleyways for all users in the public right-of-way. View and print the Know the Right-of-Way / Clear the Right-of-Way guide on the town website.
