## **INSTRUCTIONS FOR USING MDE FLOOD MAPPING TOOL**

January 14, 2012

Use this tool to find Flood zone related information about your property.

1. Go to web page *mdflood maps.com*
2. Click Flood Application box upper right
3. Click I accept
4. Enter street address and zip code.
5. Click find address
6. Zoom & pan to find property near where red tack shows. Takes patience while screens load.
7. Click determine flood status upper left
8. Click at point on property or on structure.
9. On left click here to create GIS map of your location
10. Click Download your file.
11. Print map
