Due to the current public health emergency and the sincere desire of the Mayor and Town Council to protect the public health, safety, and welfare to the maximum extent possible, the public may not enter the DPW building. Therefore, this meeting of SFMAC will proceed virtually, as permitted under the Maryland Open Meetings Act.

Meeting Notes

	Action Items Discussed
1	Discussed comments on draft Framework from EFC. Expect to finalize and submit to Town Council early April.
2	Discussed work on upgrade for the 5th street stormwater pump station. Drafting an RFP for new pumps and control panel to alleviate flooding at 5th street and expect to have ready to advertise for bids in late March/early April.
3	DPW continues to monitor progress on the 261 road raising project. Expect contractor to finish paving in March. Landscaping on shoulders is nearly completed. All concrete work on bridge completed. Railing needs to be installed. Inspection and punch list will be created in March.
4	Luke Johnson identified as SFMAC “webmaster” for purpose of uploading and organizing material on SFMAC Teams site and any other SFMAC web-related tasks.
5	Discussed presentation of SFMAC projects completed/projects ongoing to Town Council. Lauren will prepare a powerpoint for review by SFMAC. Will present at April Town Council meeting.
